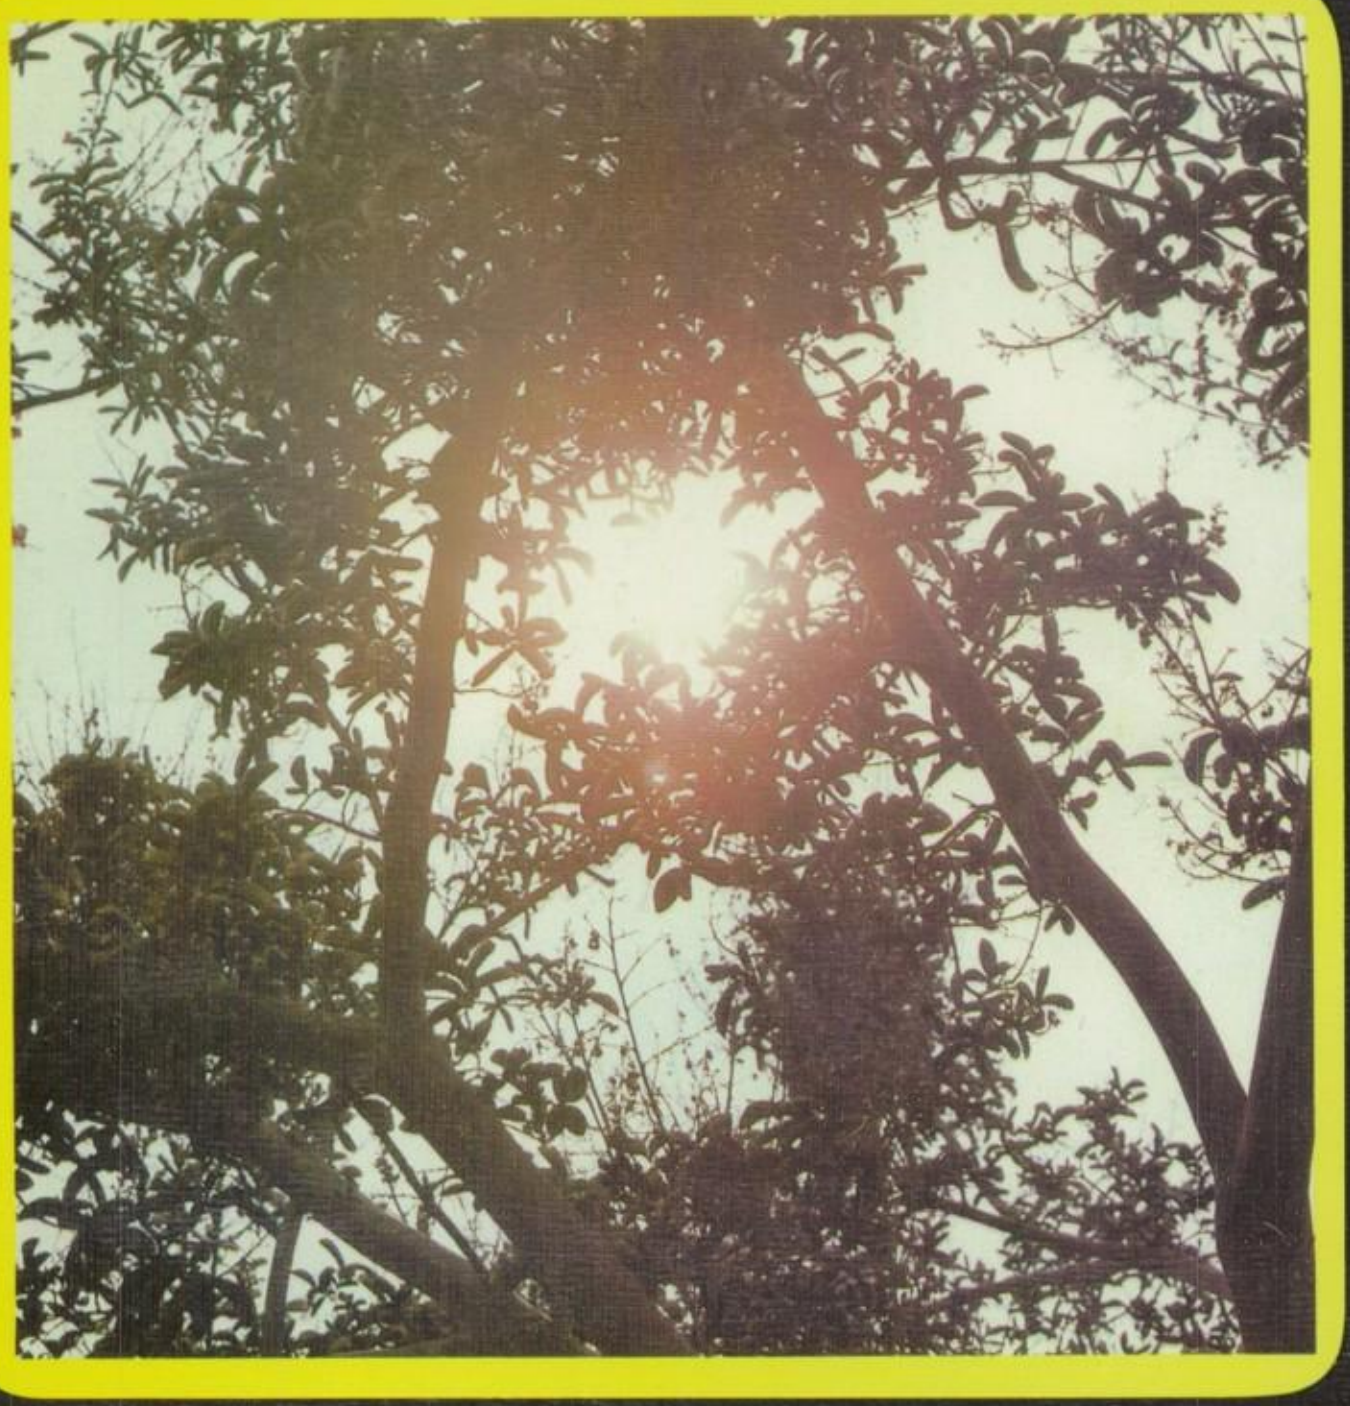
Vista Del Año
Monte Vista High School
Whittier, California
Volume 12

Look to this day

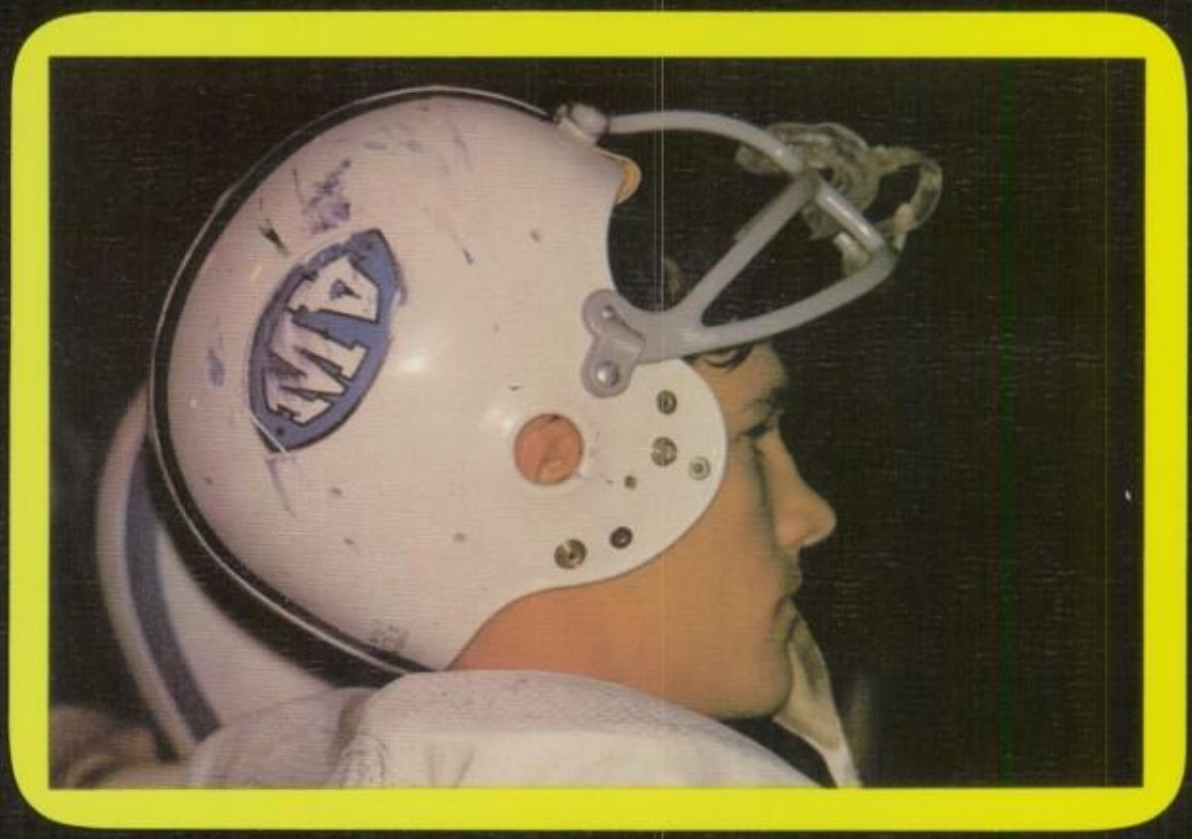


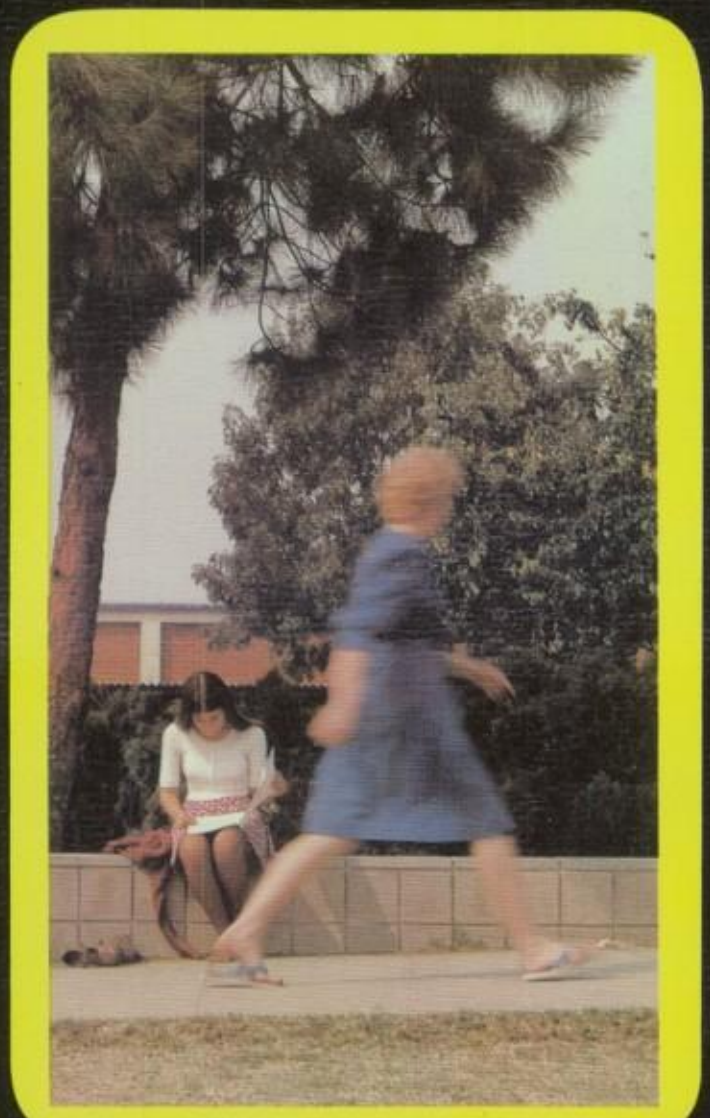
for it is life

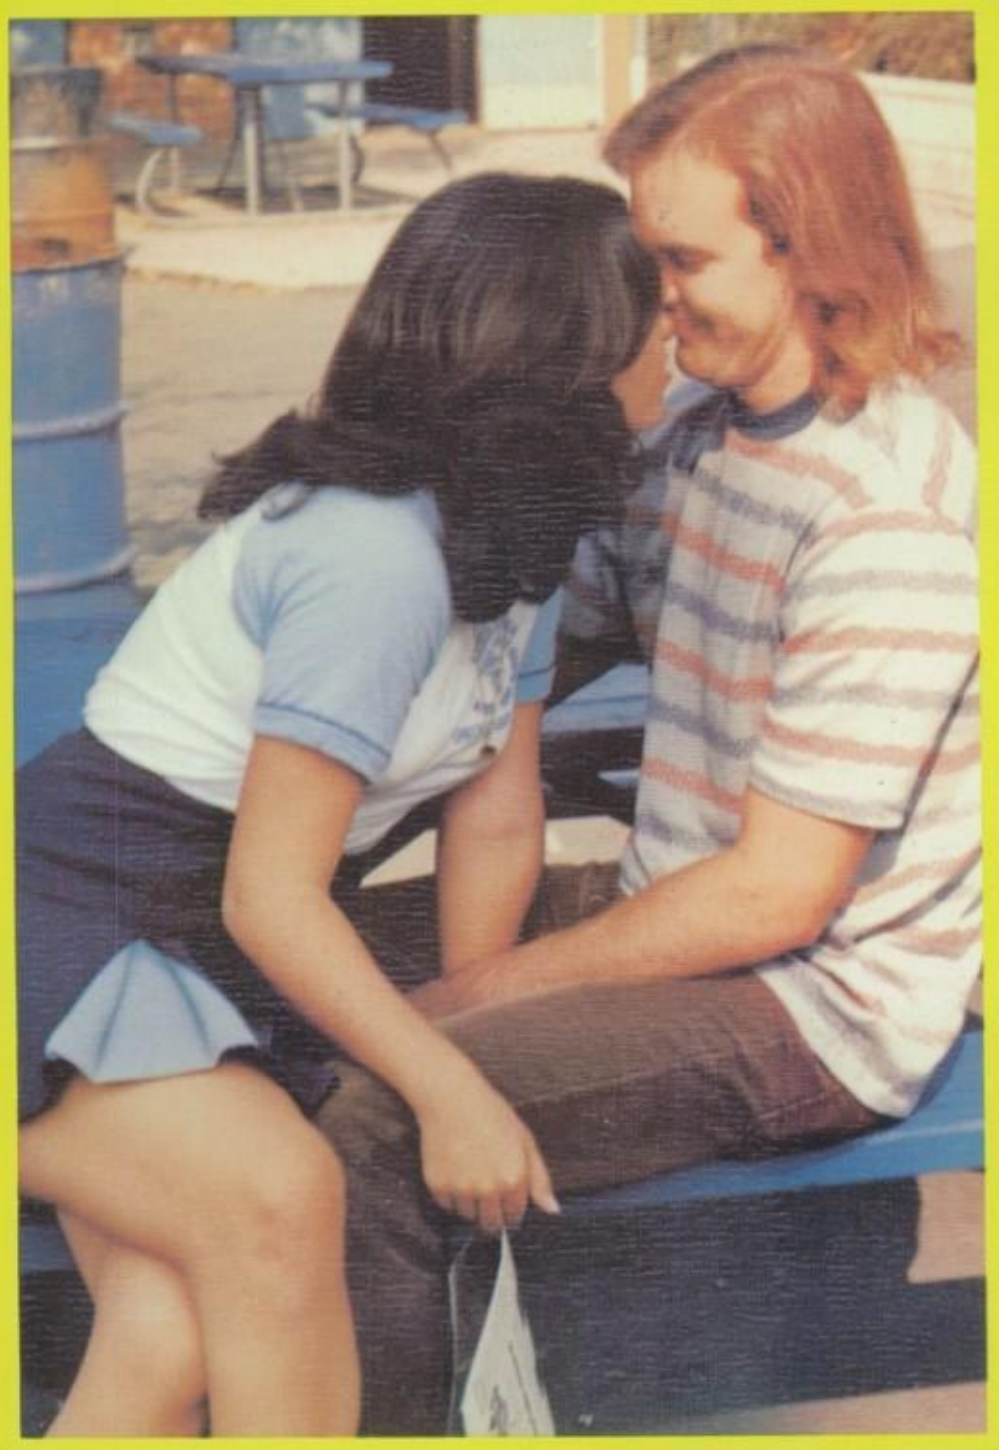
the very life of life

22

in its brief course





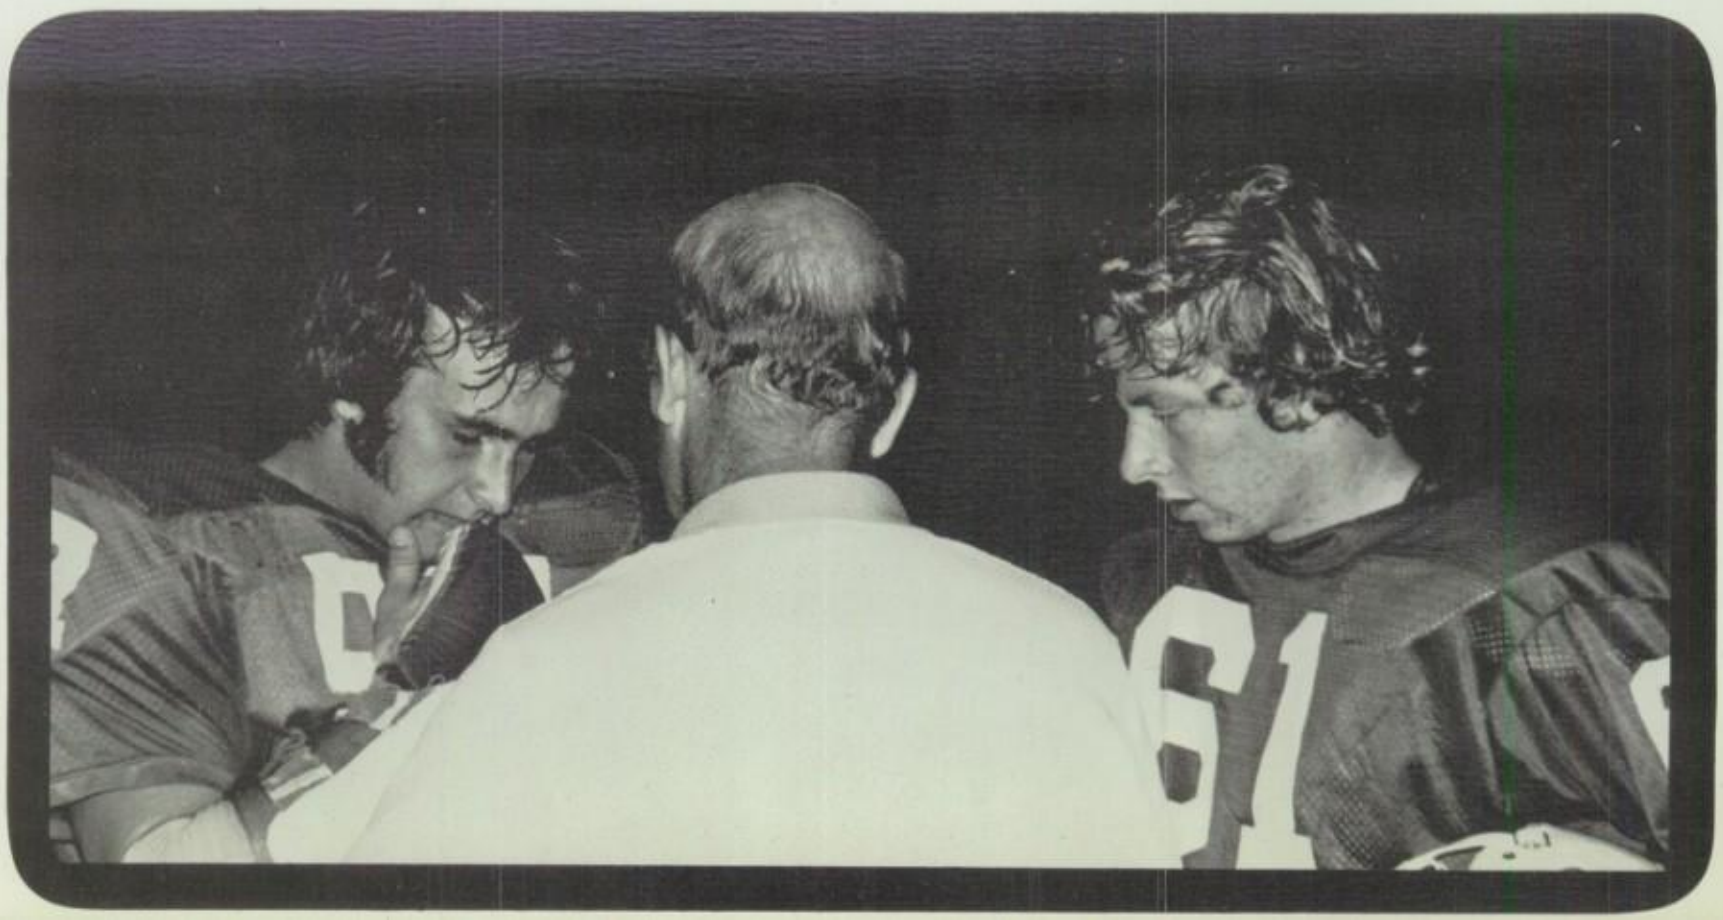


lie all the truths

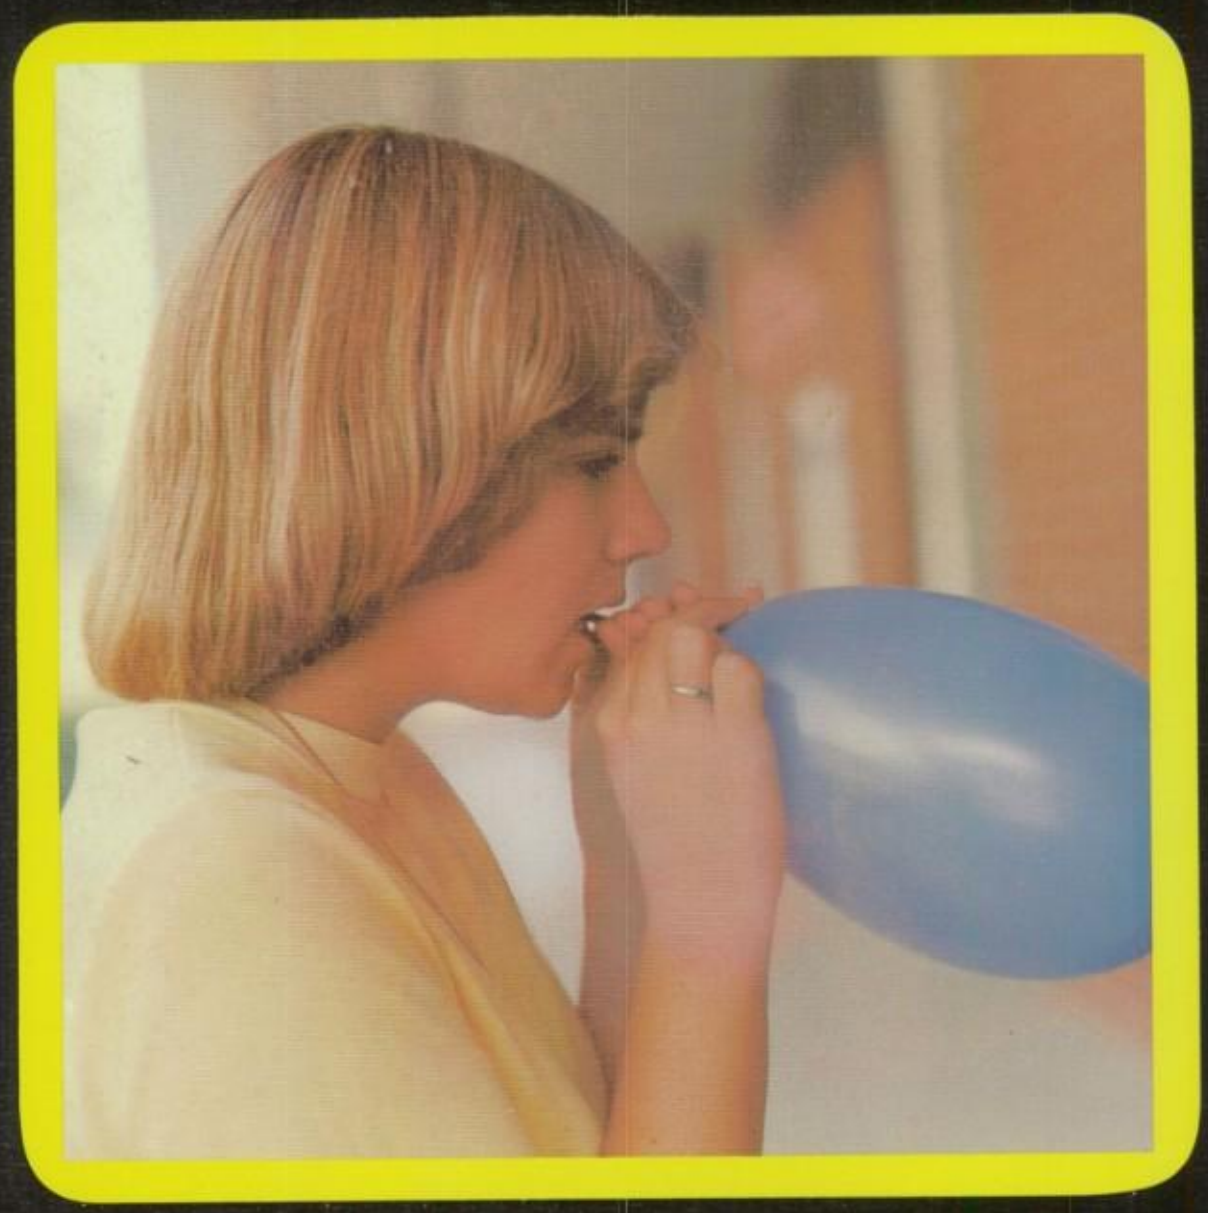
and realities . . .

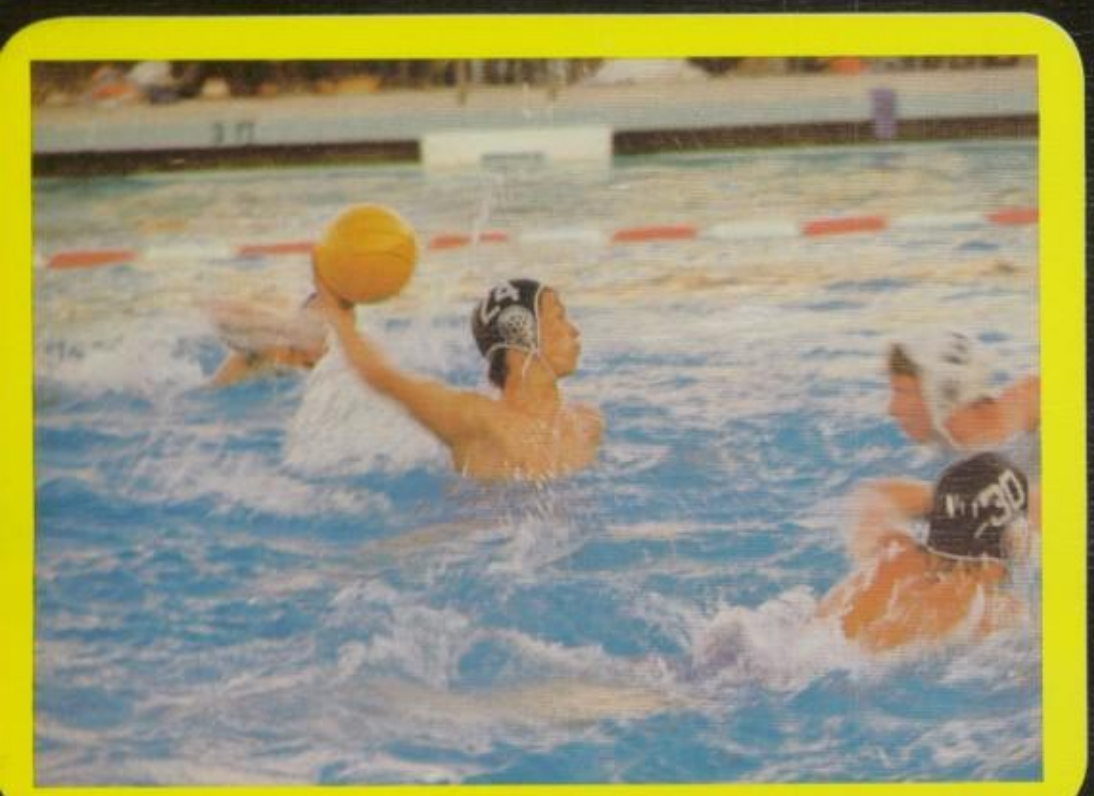
. . . of existence . . .

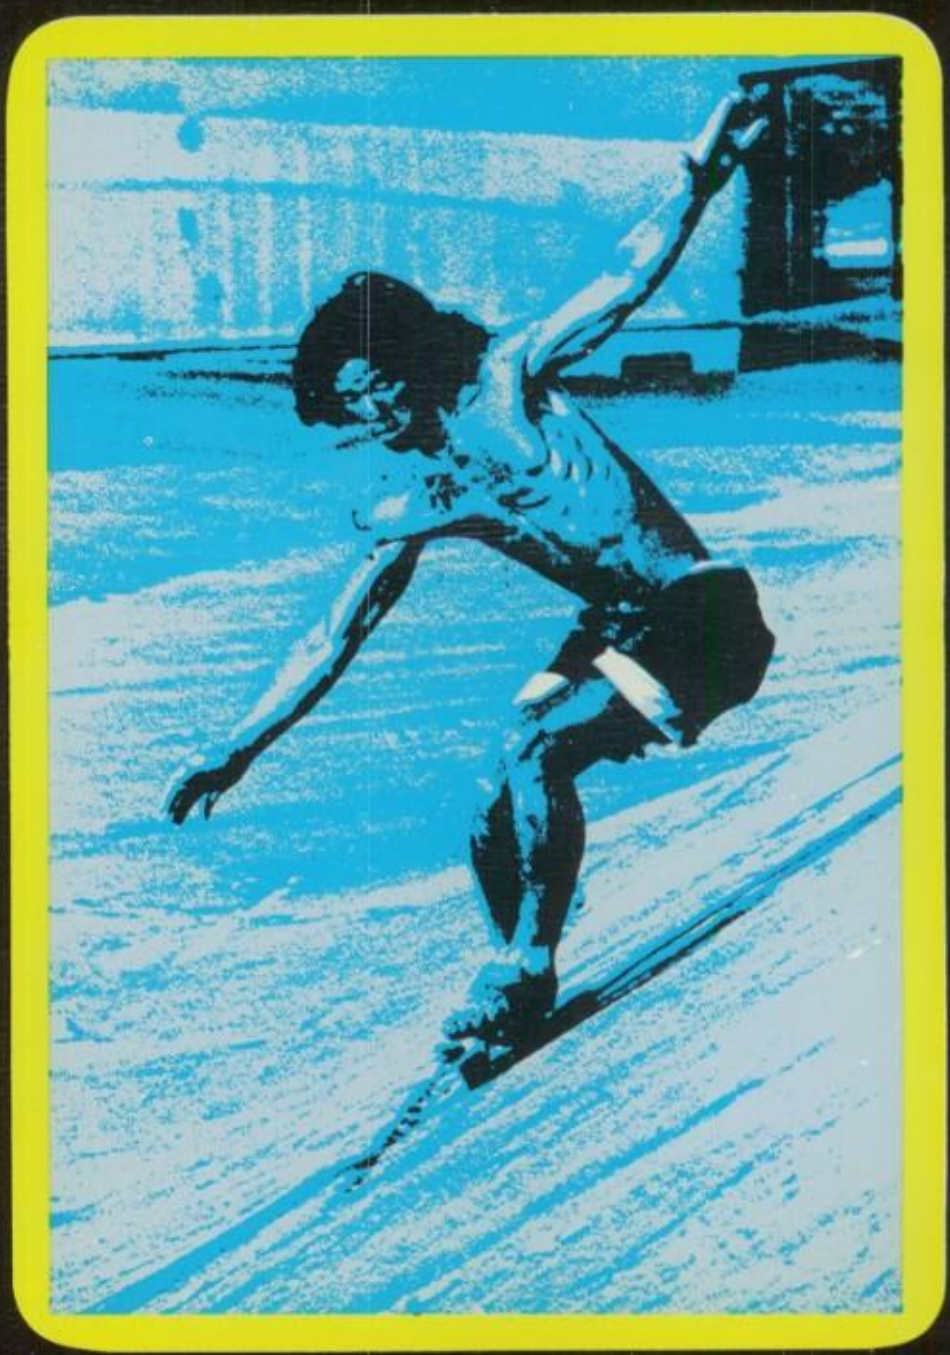
The Joy of Growth



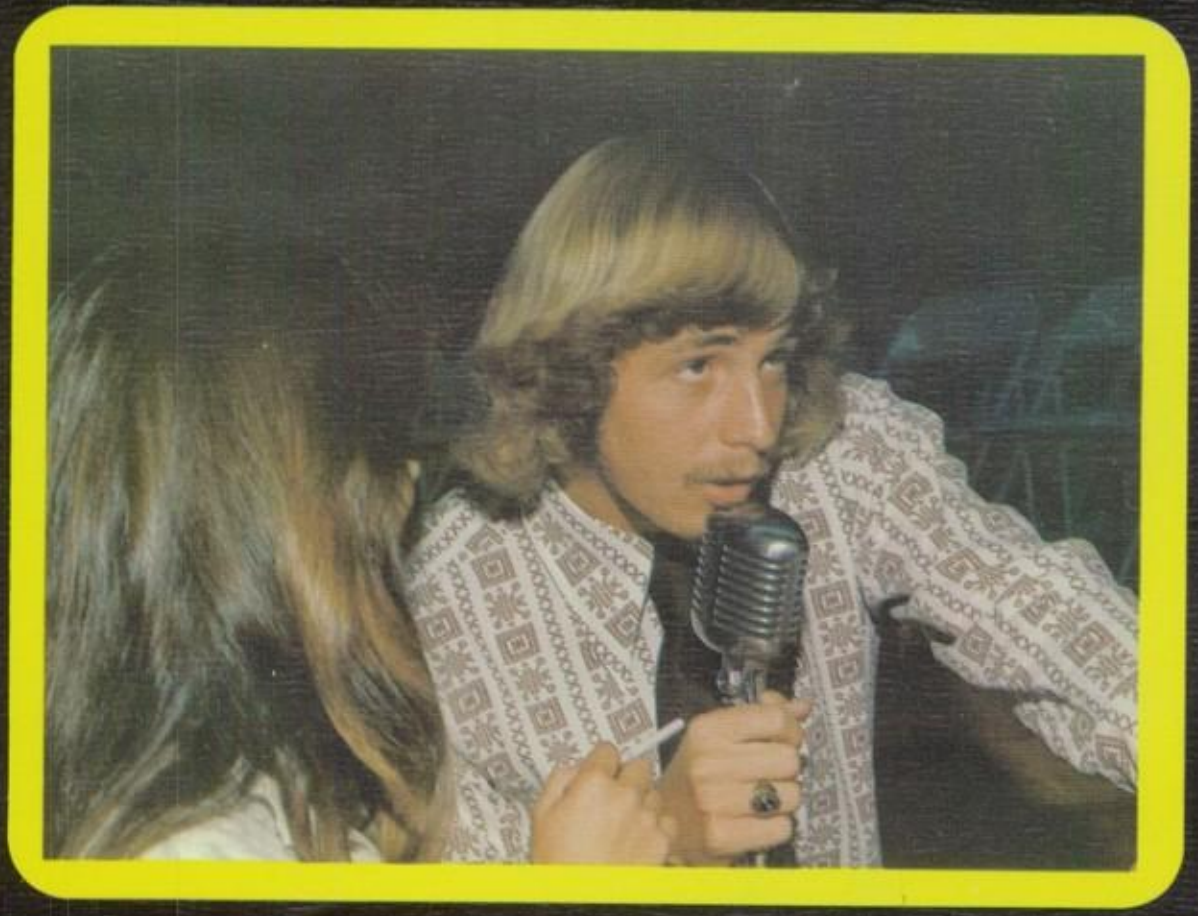
The Splendor of Action



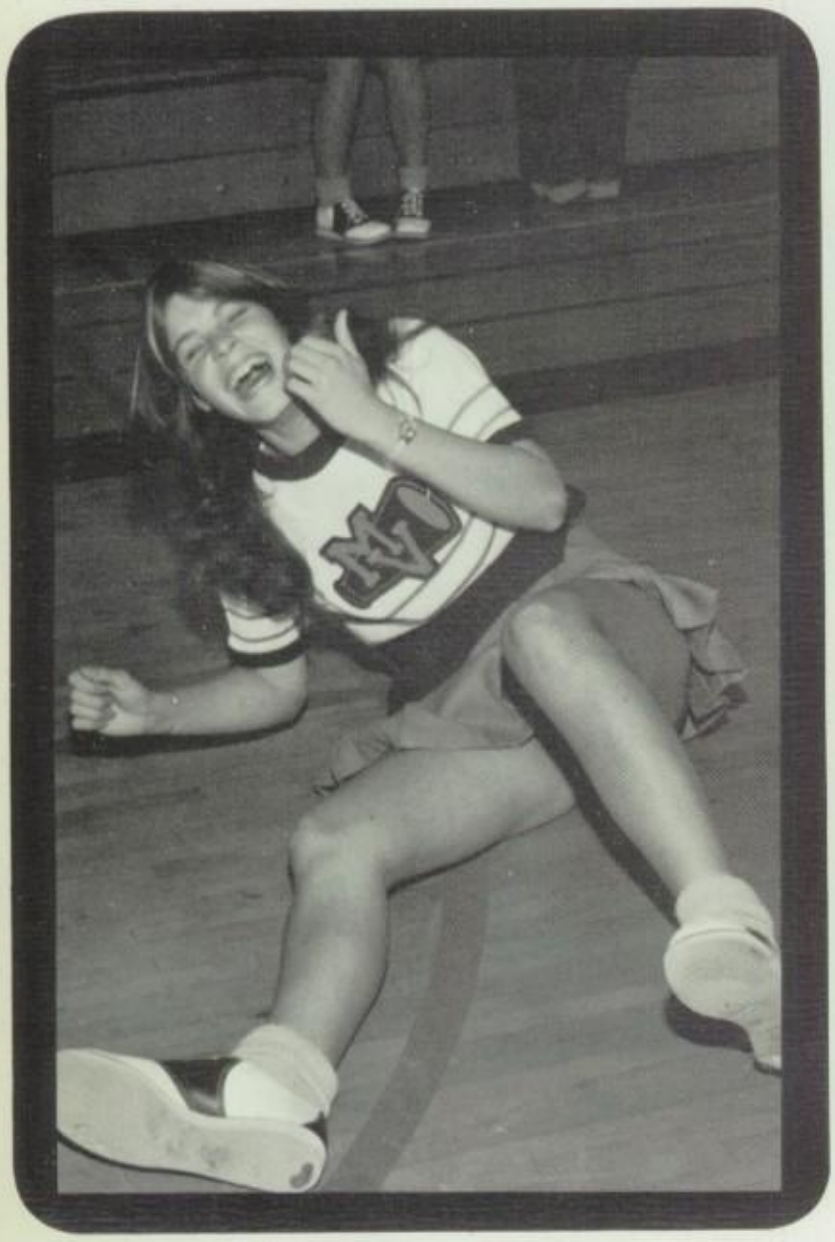


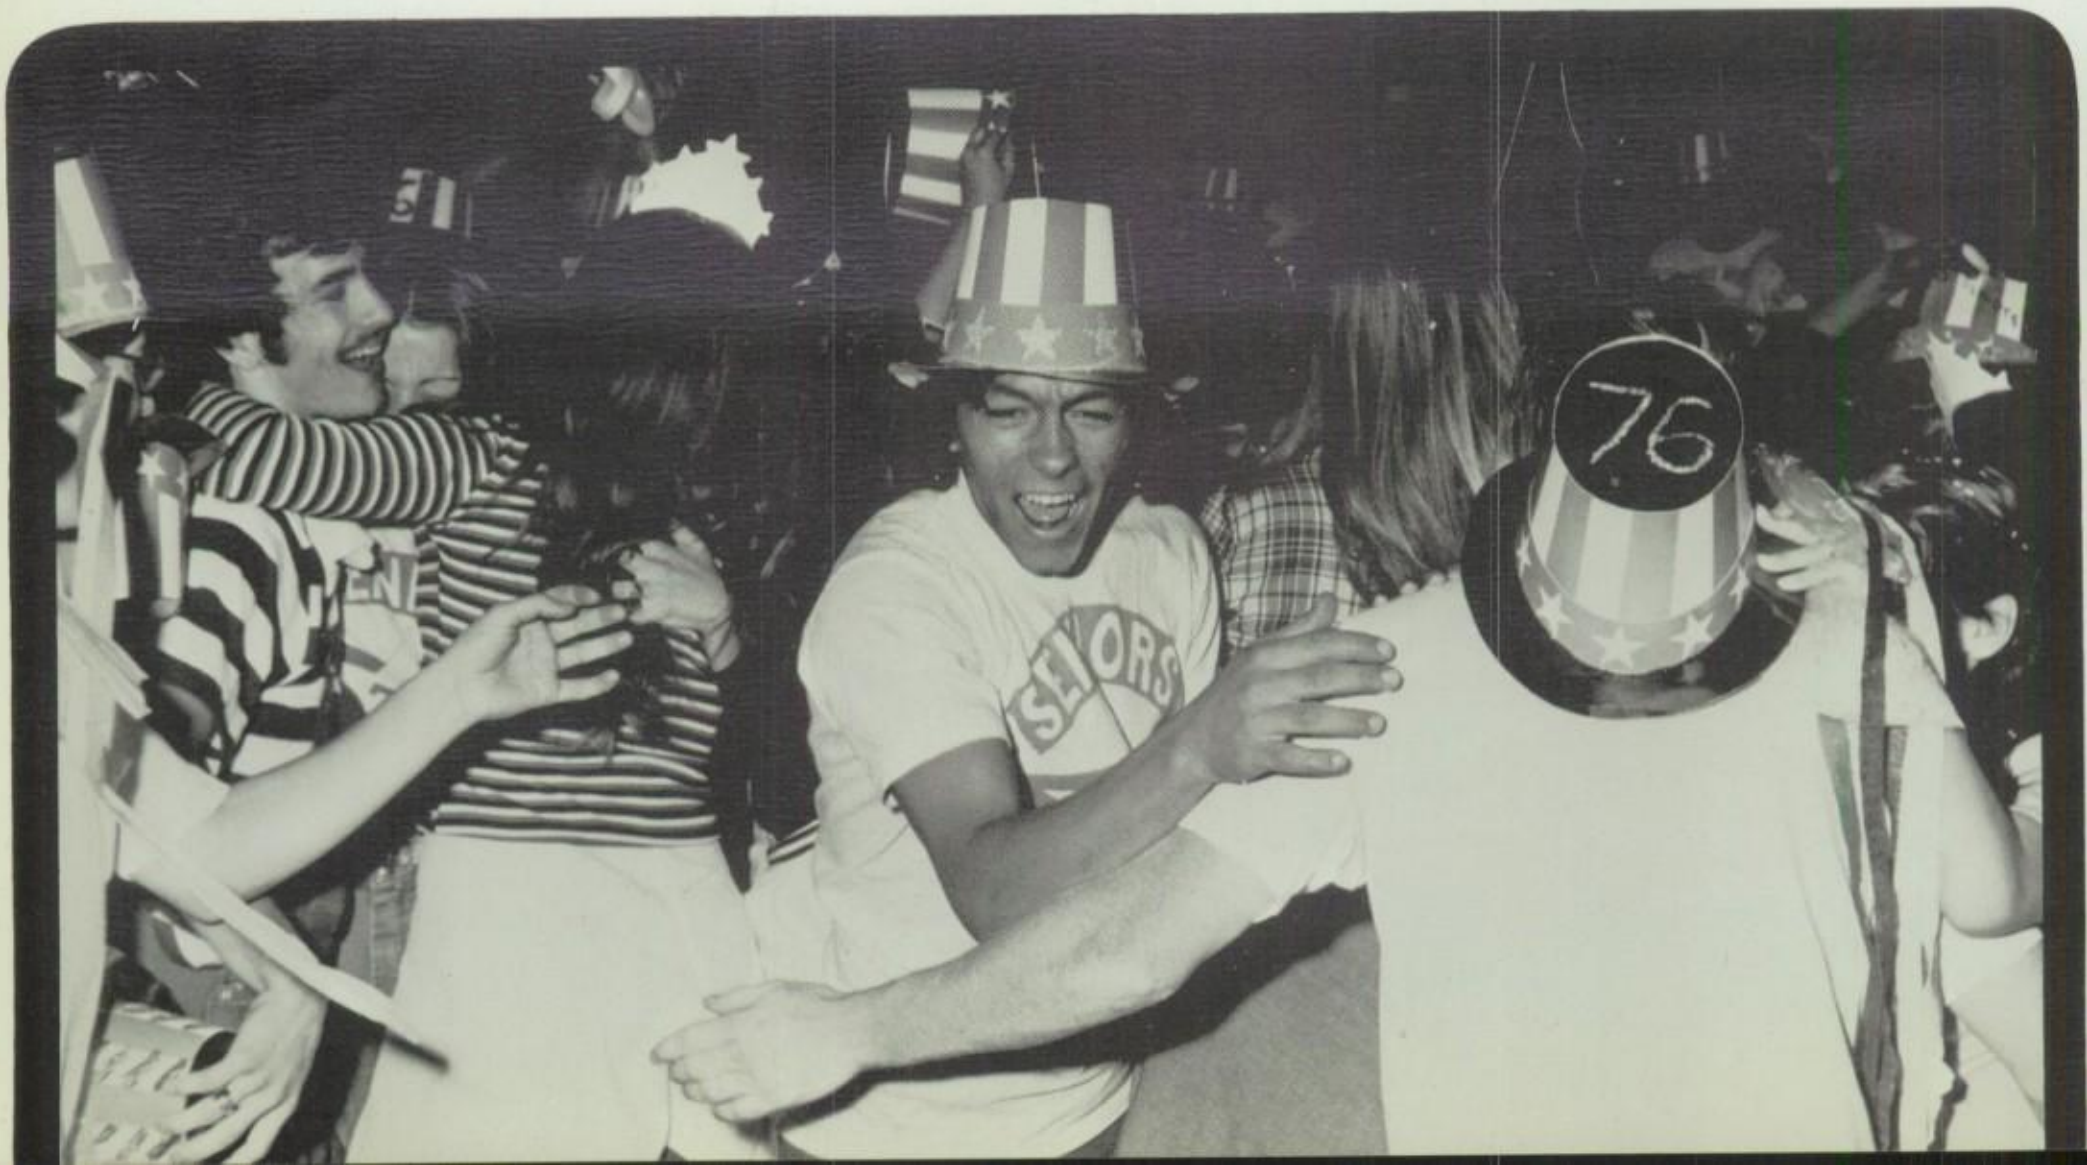


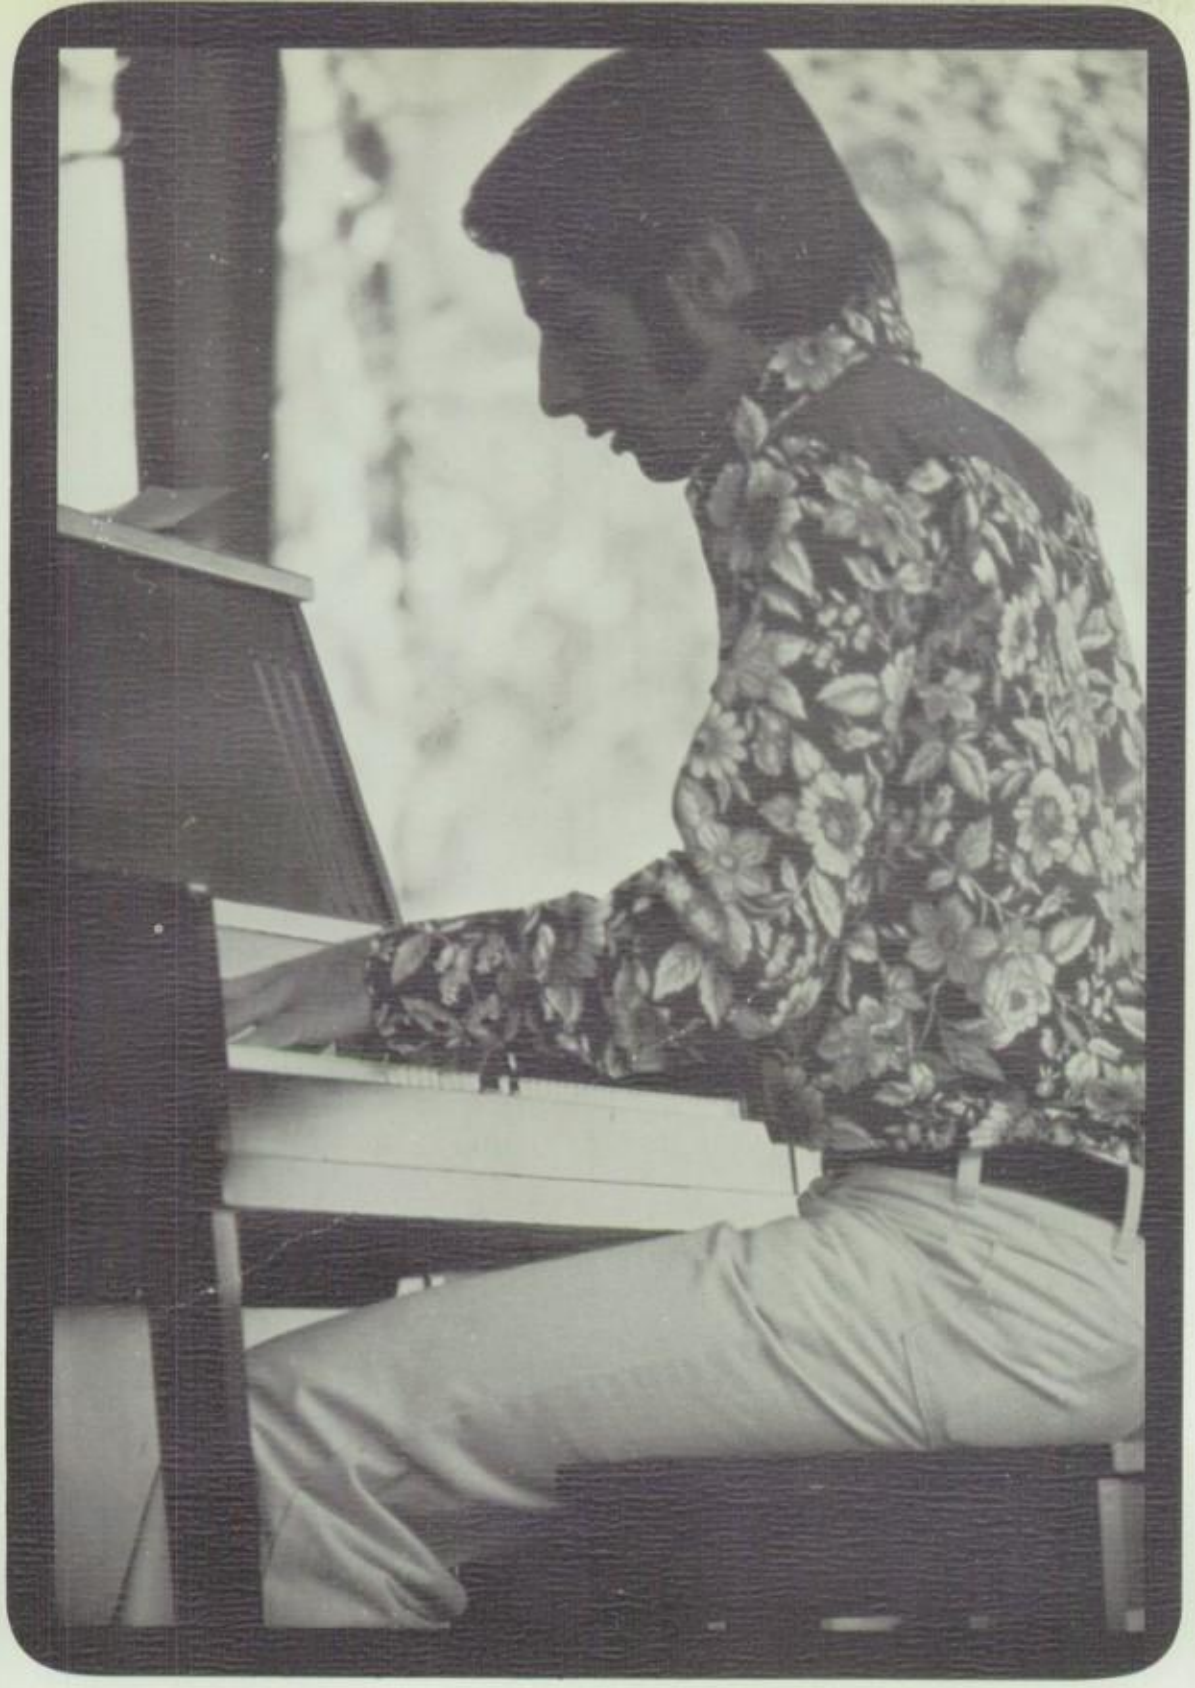
The Glory of Power



for yesterday is but a memory



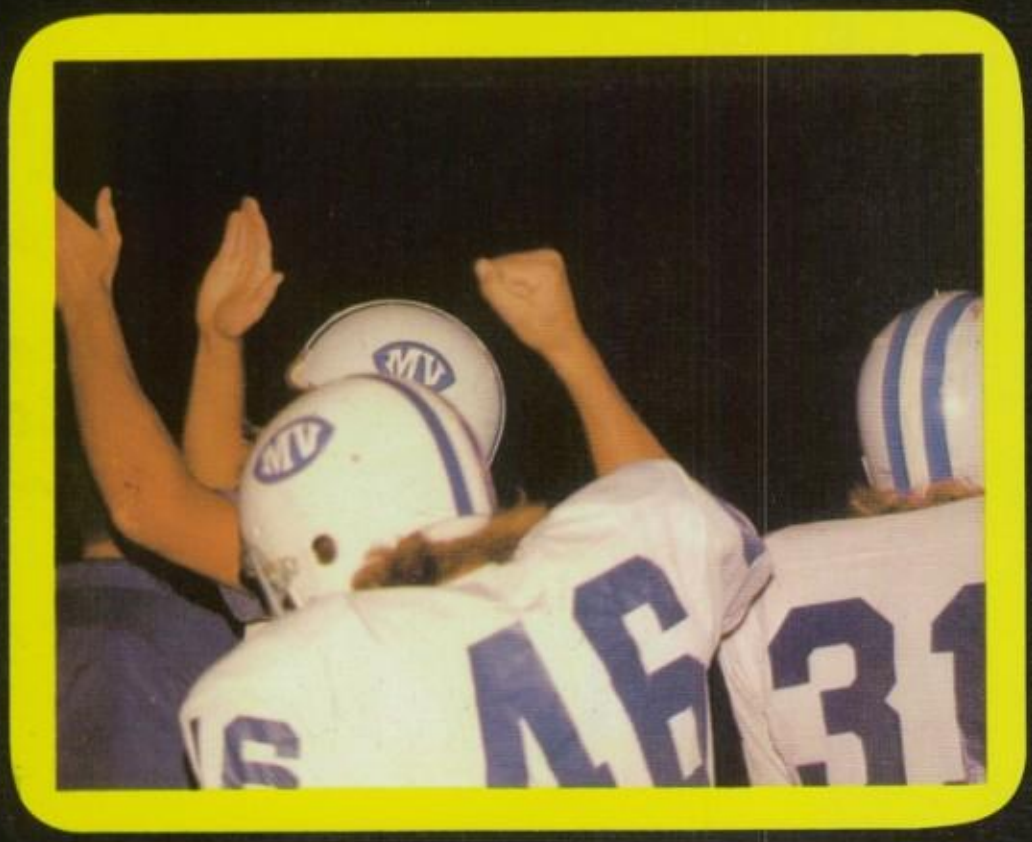




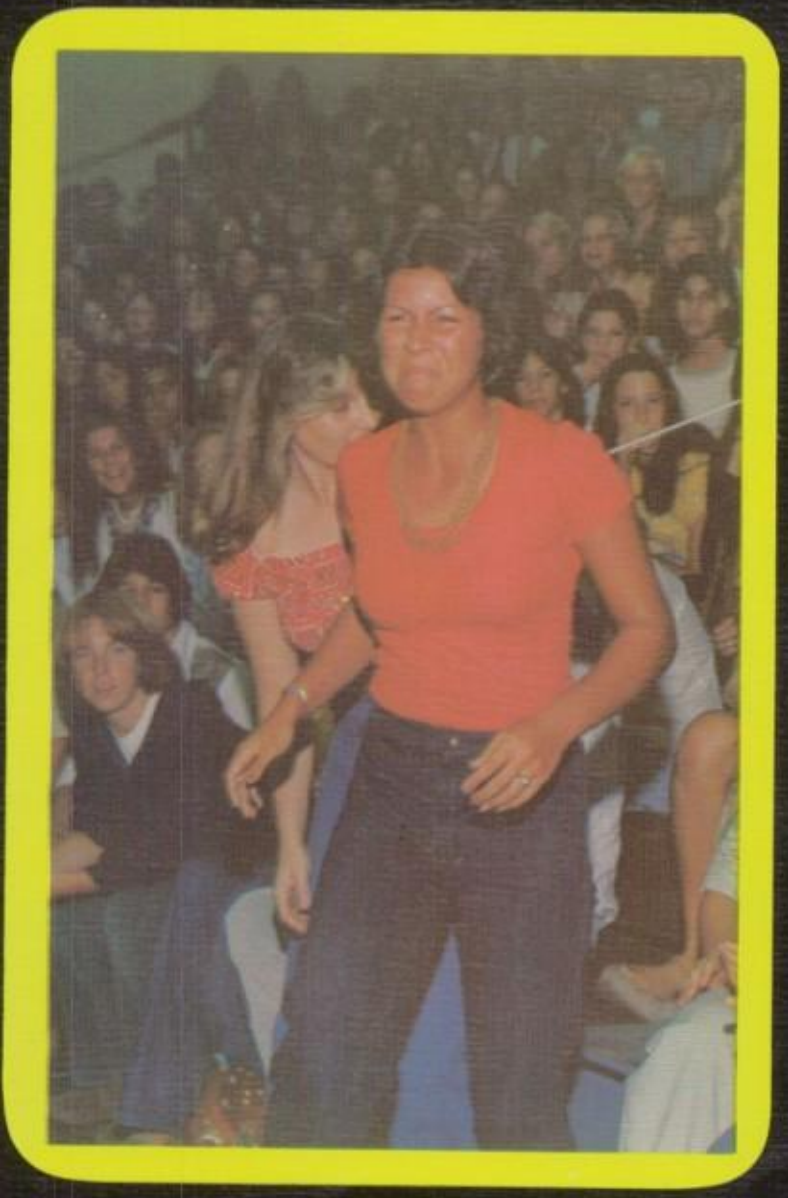
and tommorrow's only

a vision

but today well lived

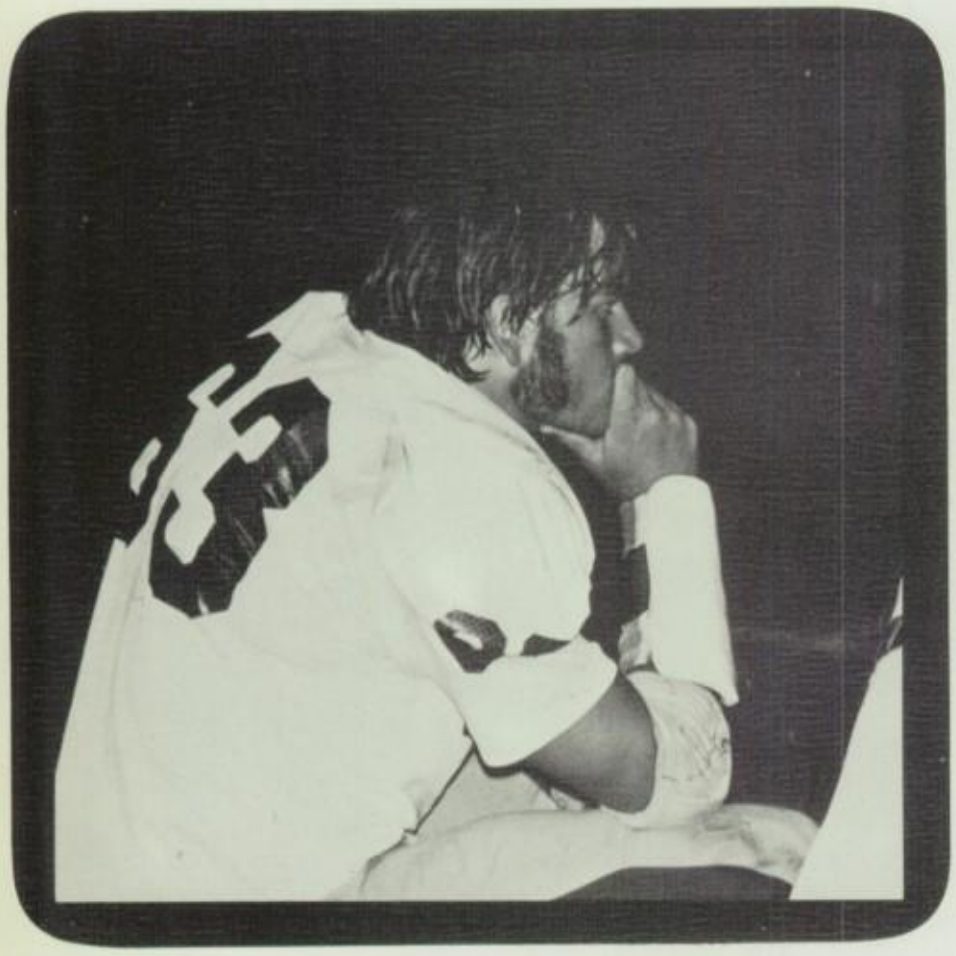


makes every
yesterday

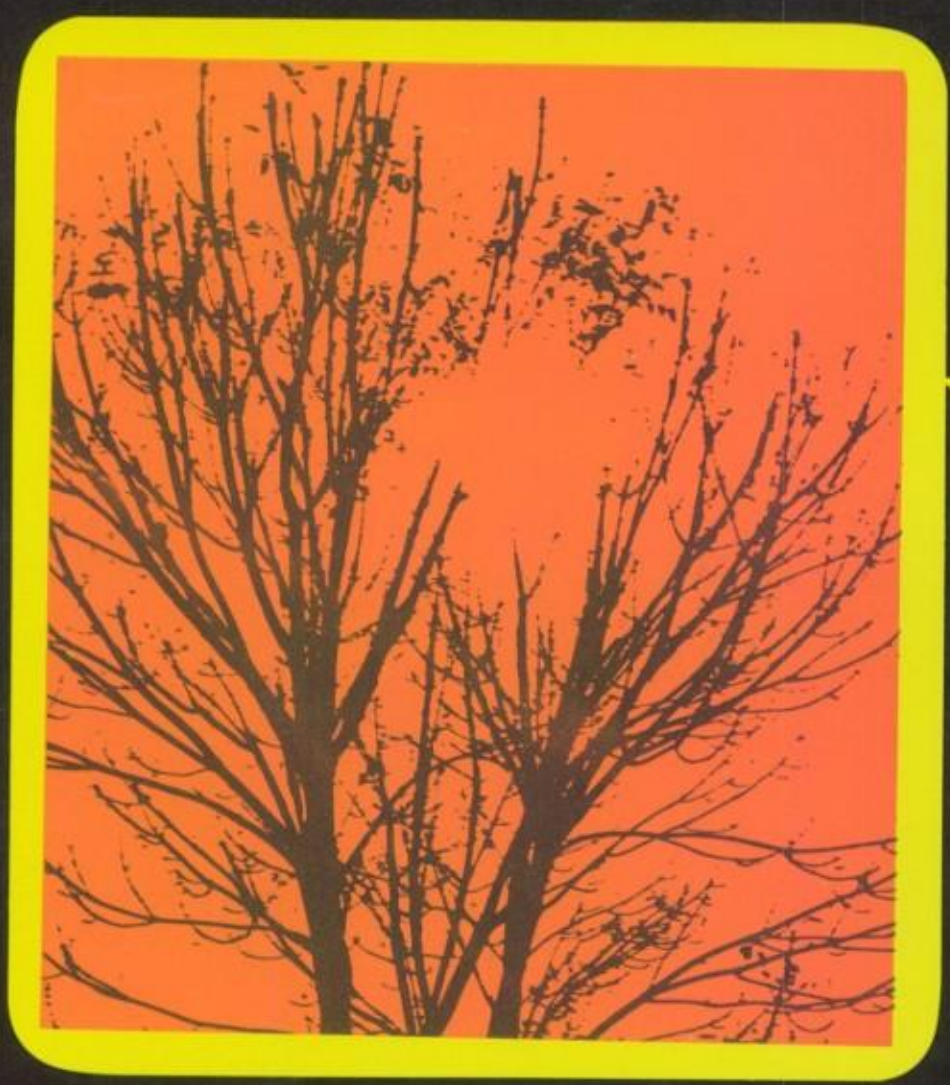


a memory of happiness

and every tommorrow . . .



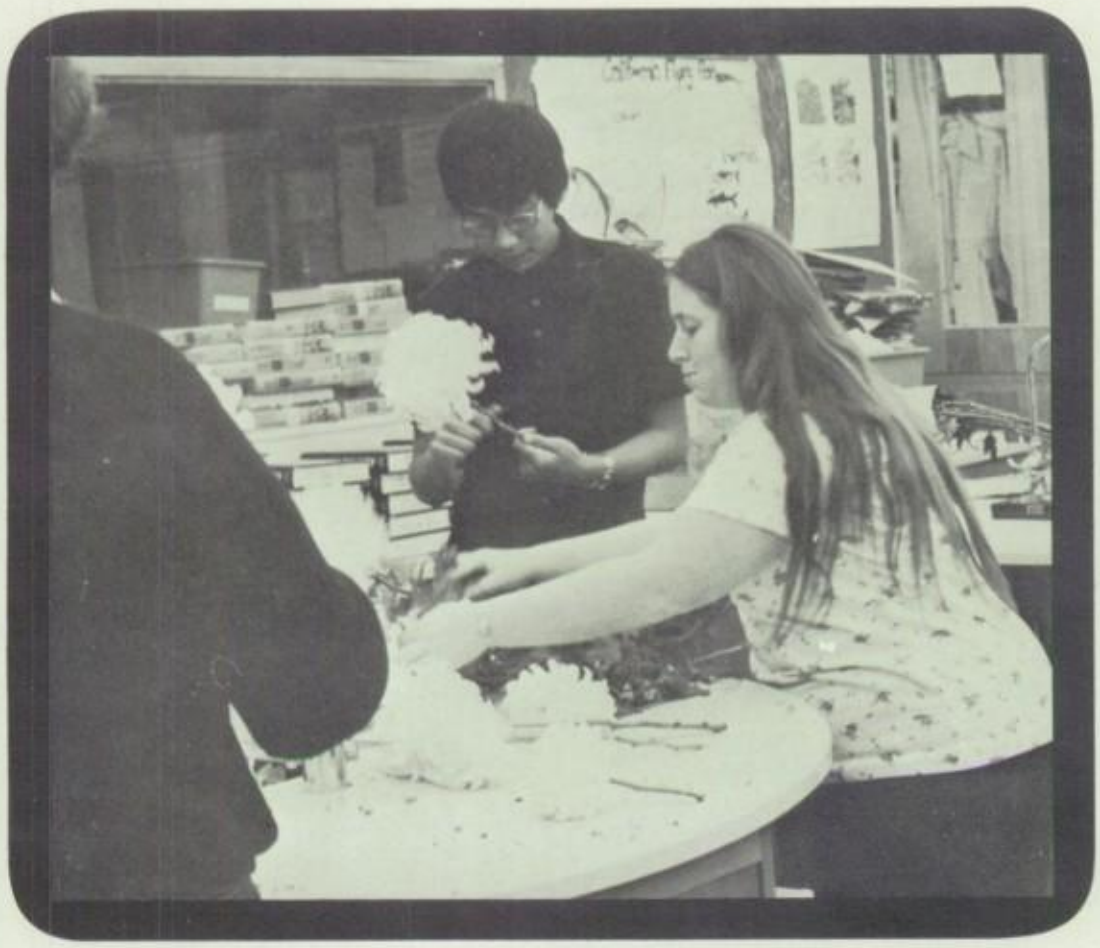
A Vision of Hope

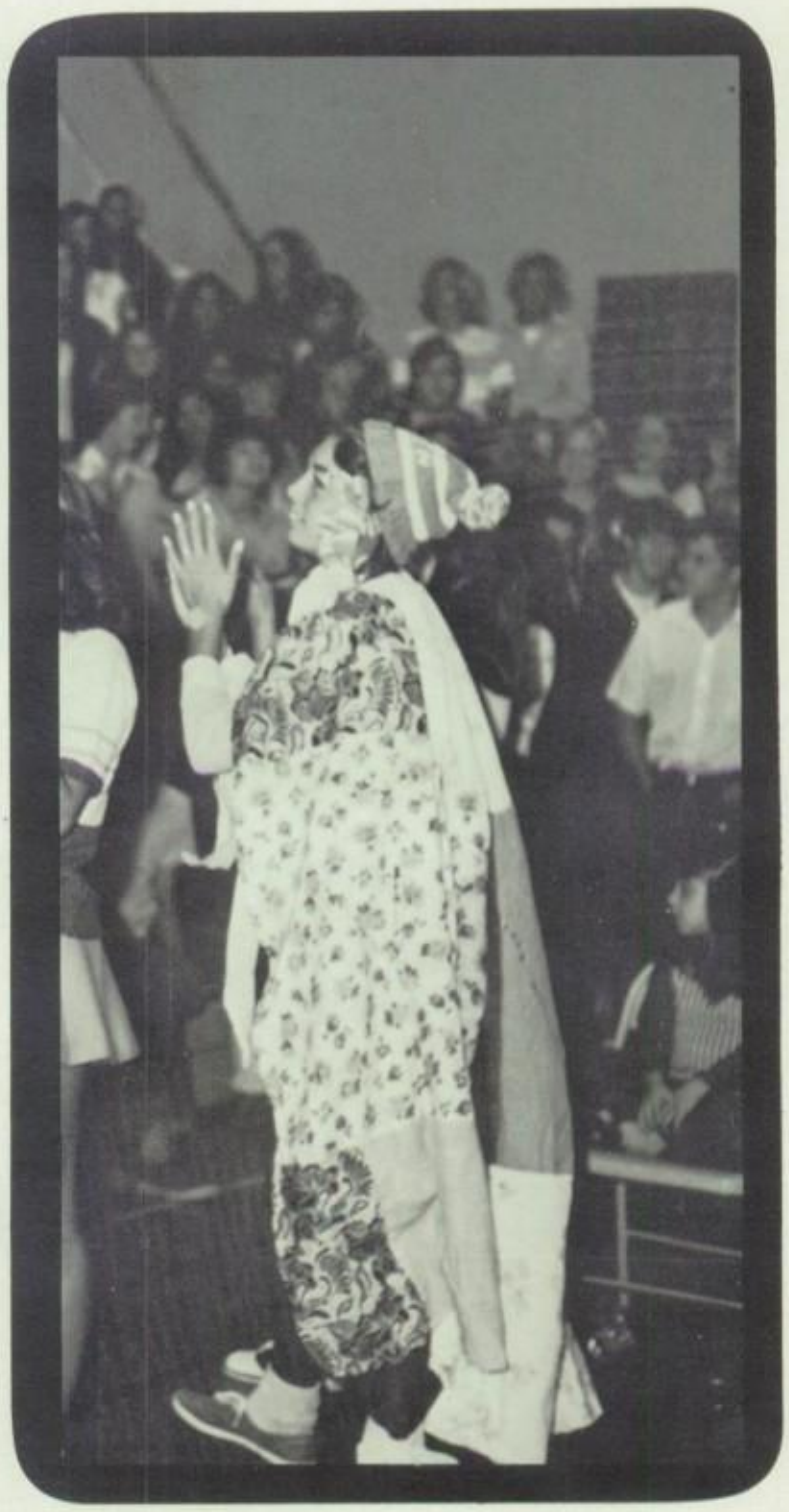


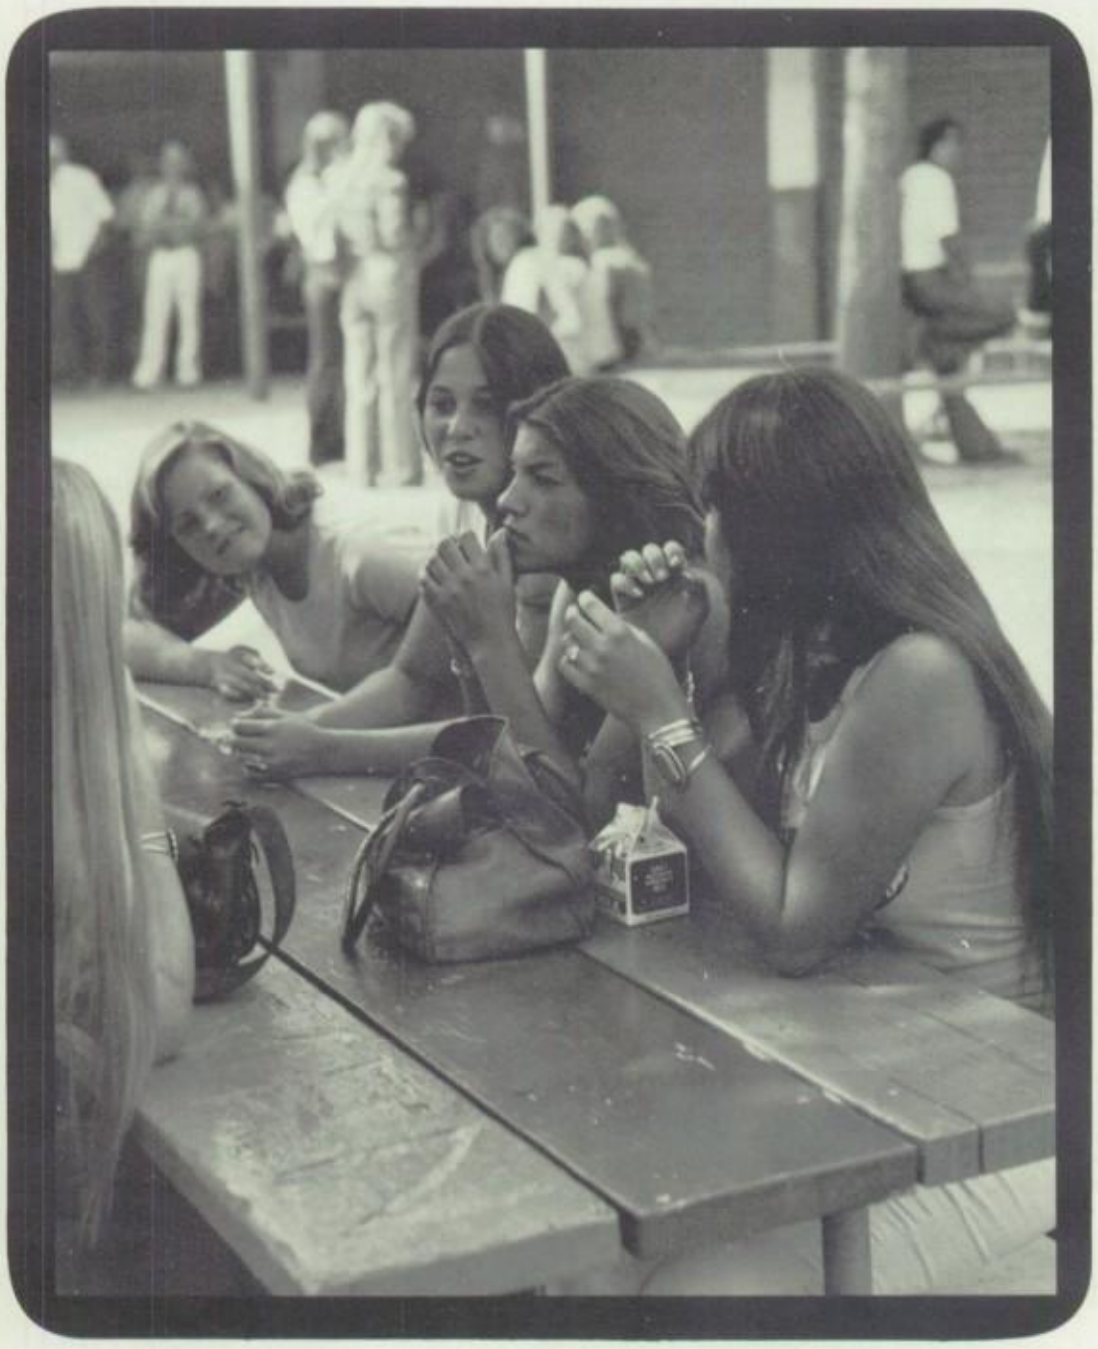
Visions

Cherish

Your Visions . . .



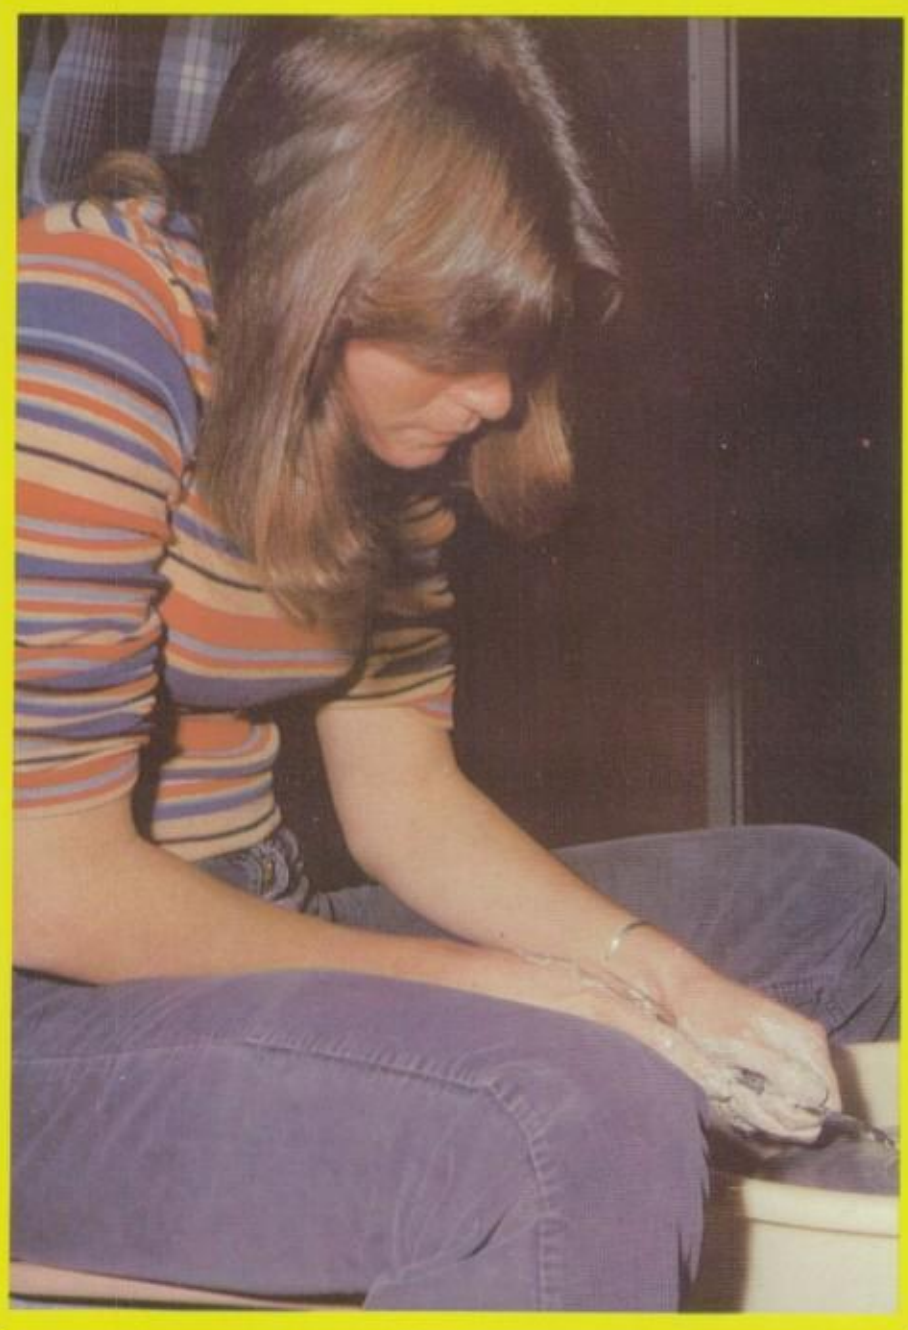




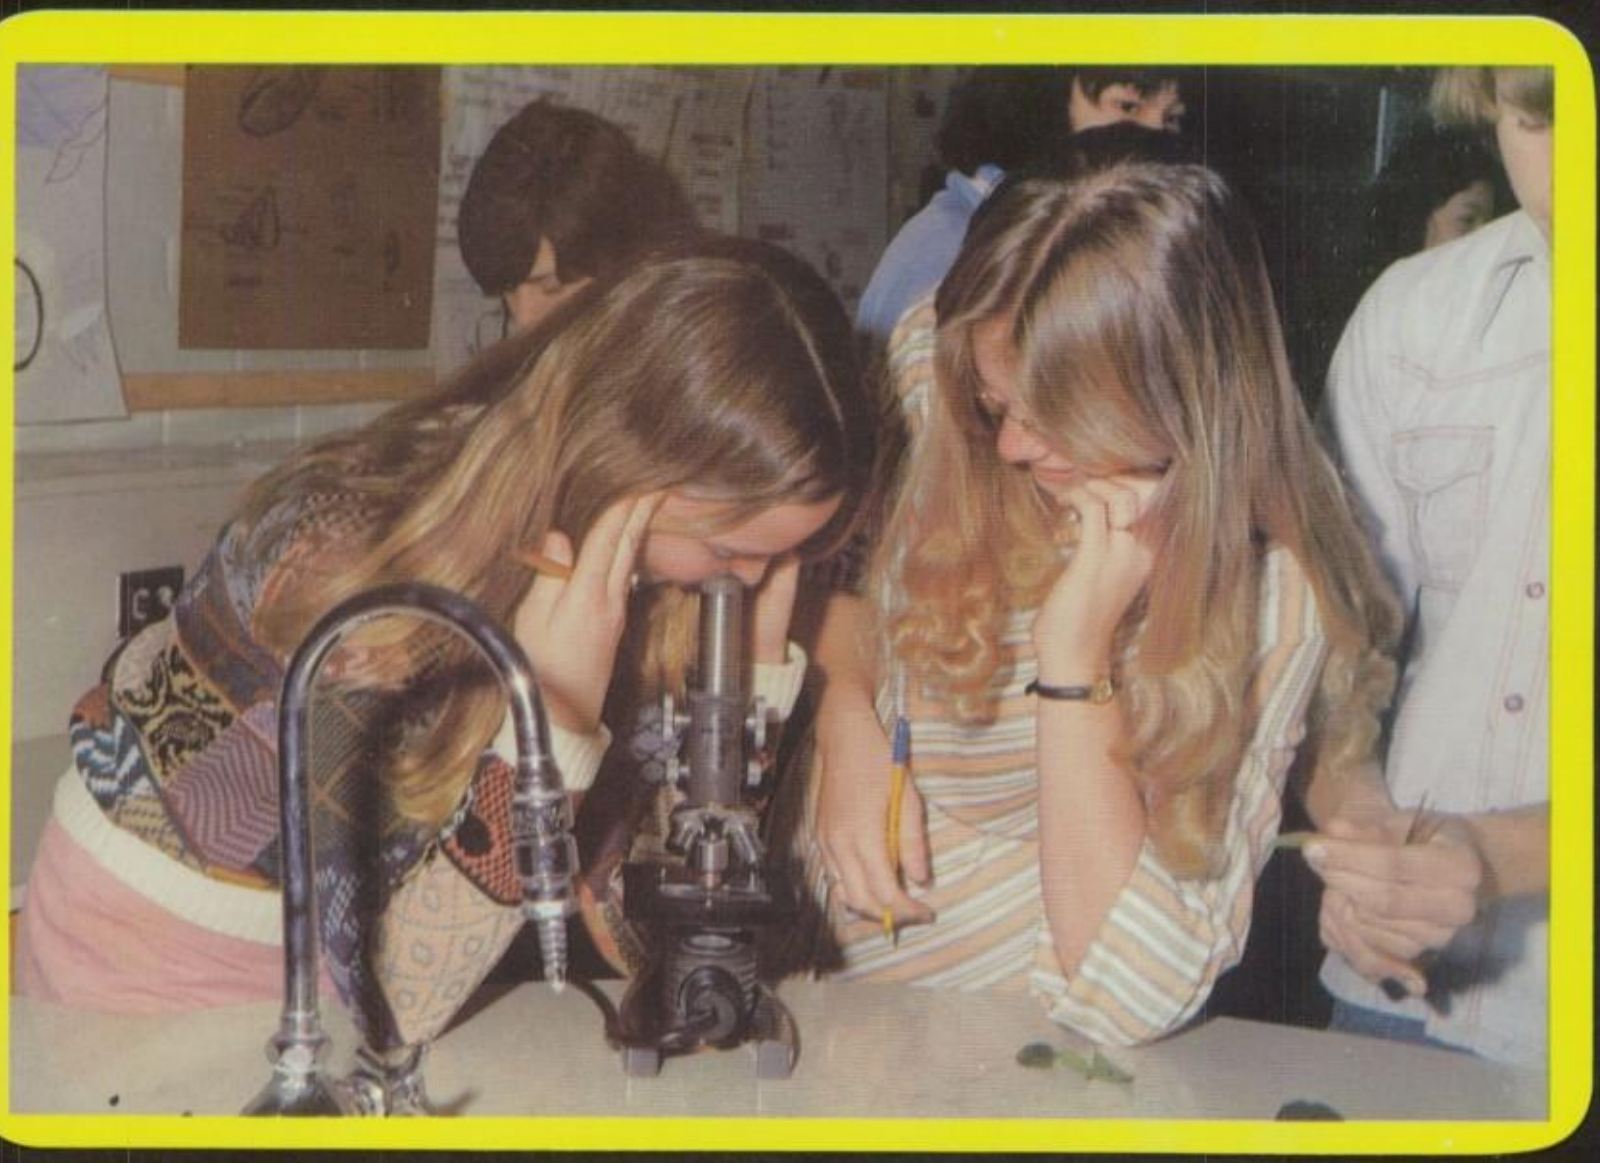
Cherish

Your Ideals . . .

Cherish the music
that stirs in your heart

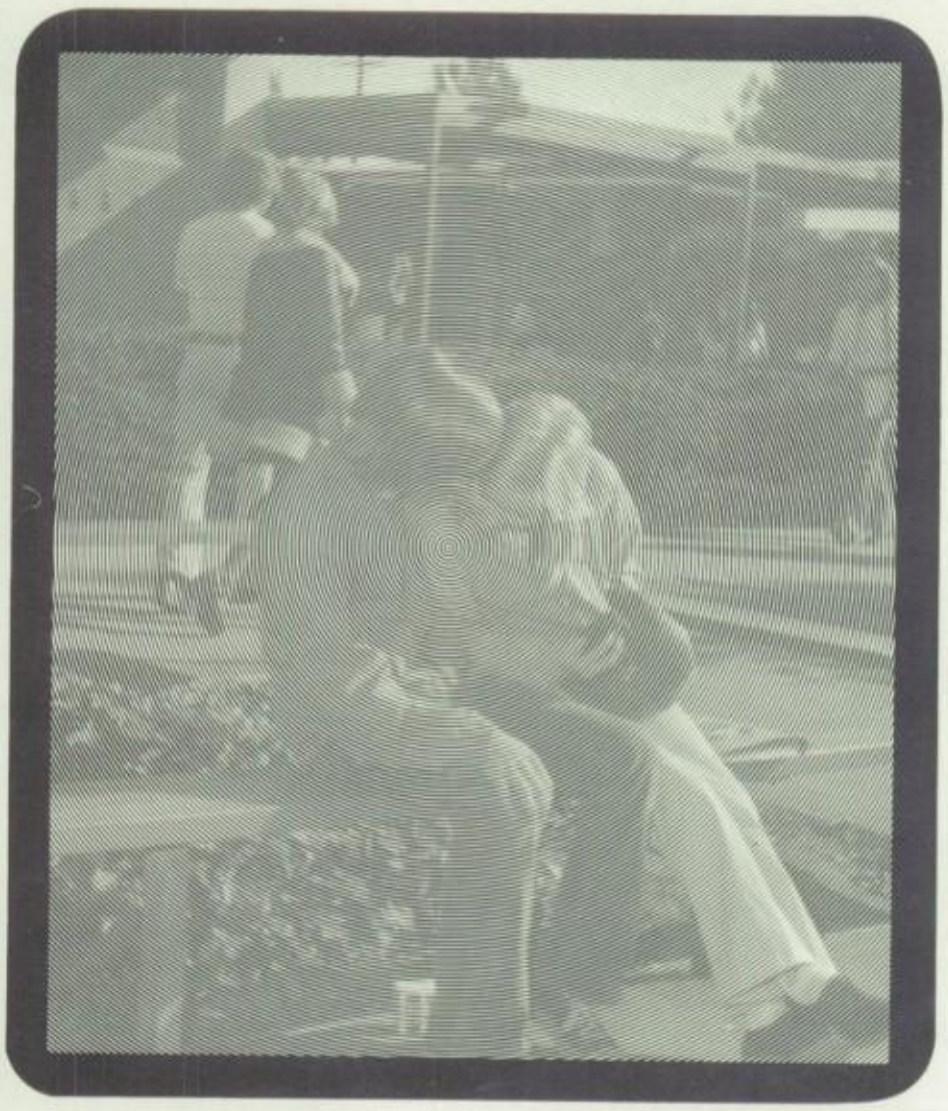


the beauty that forms
in your mind



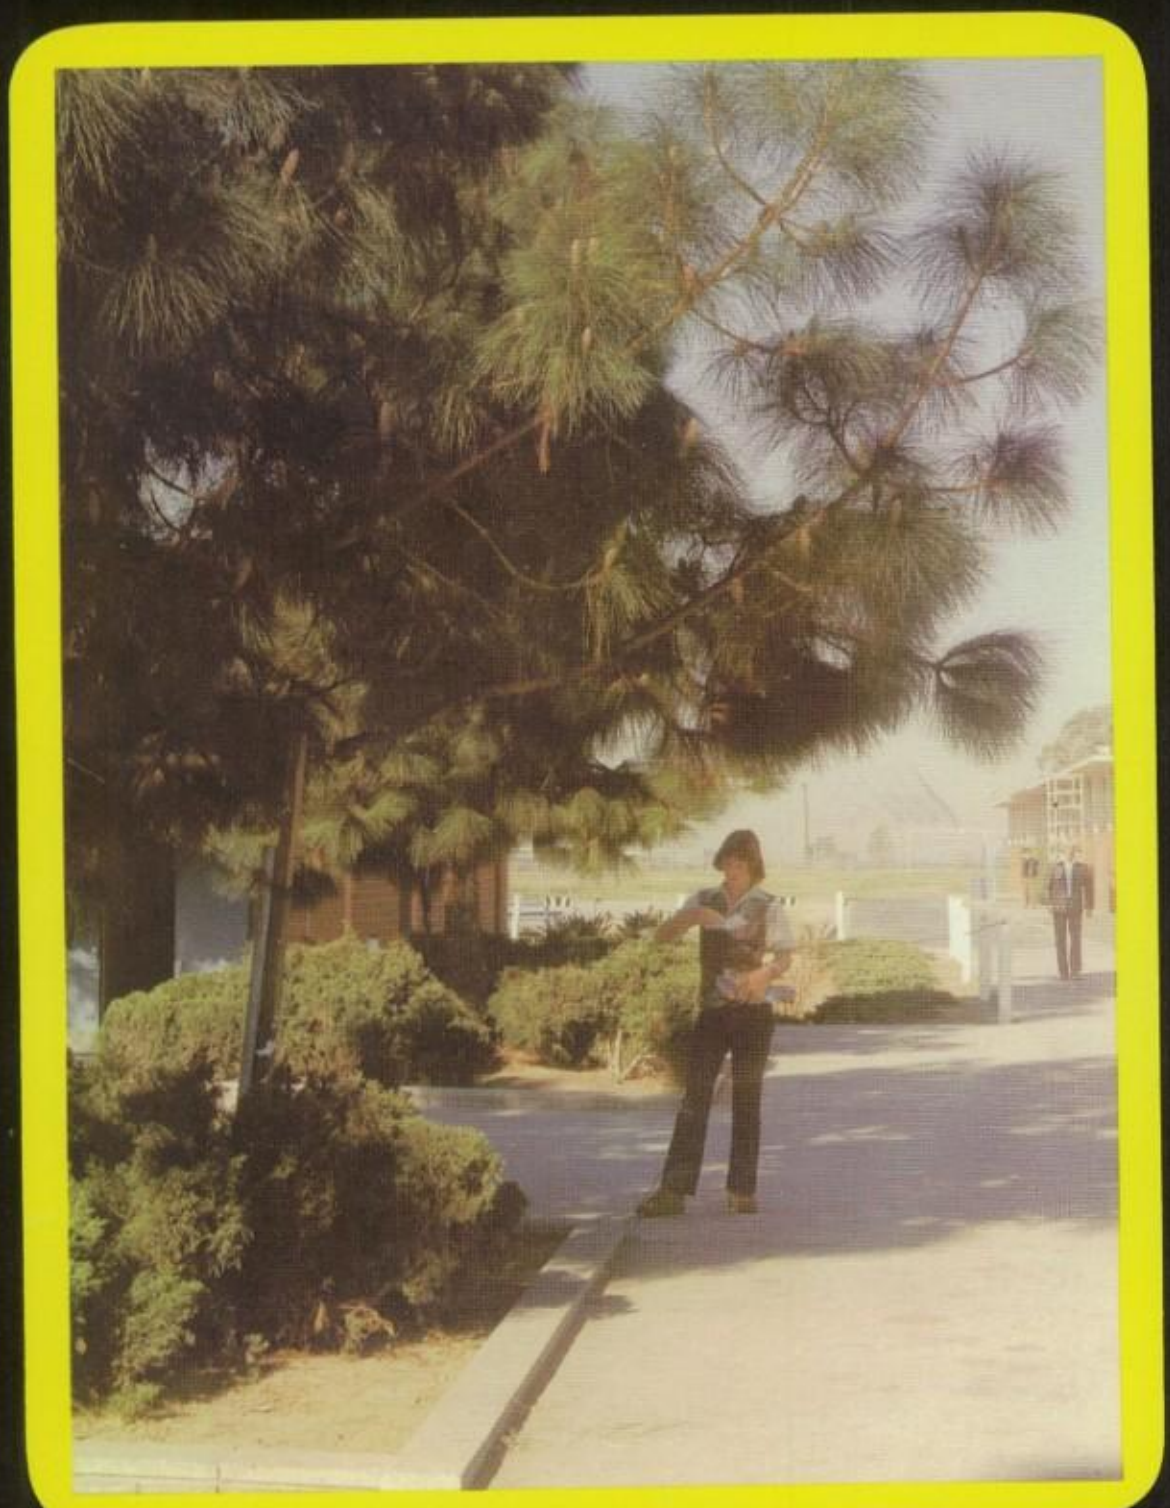
Dream lofty dream . . .

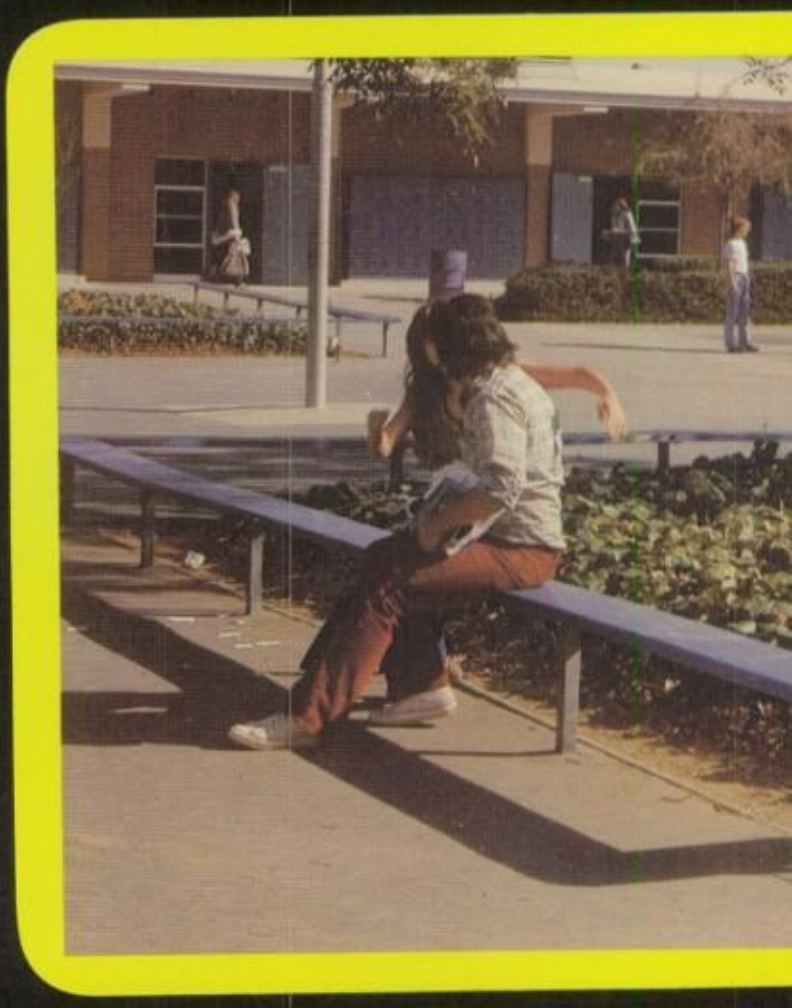
and as you dream . . .

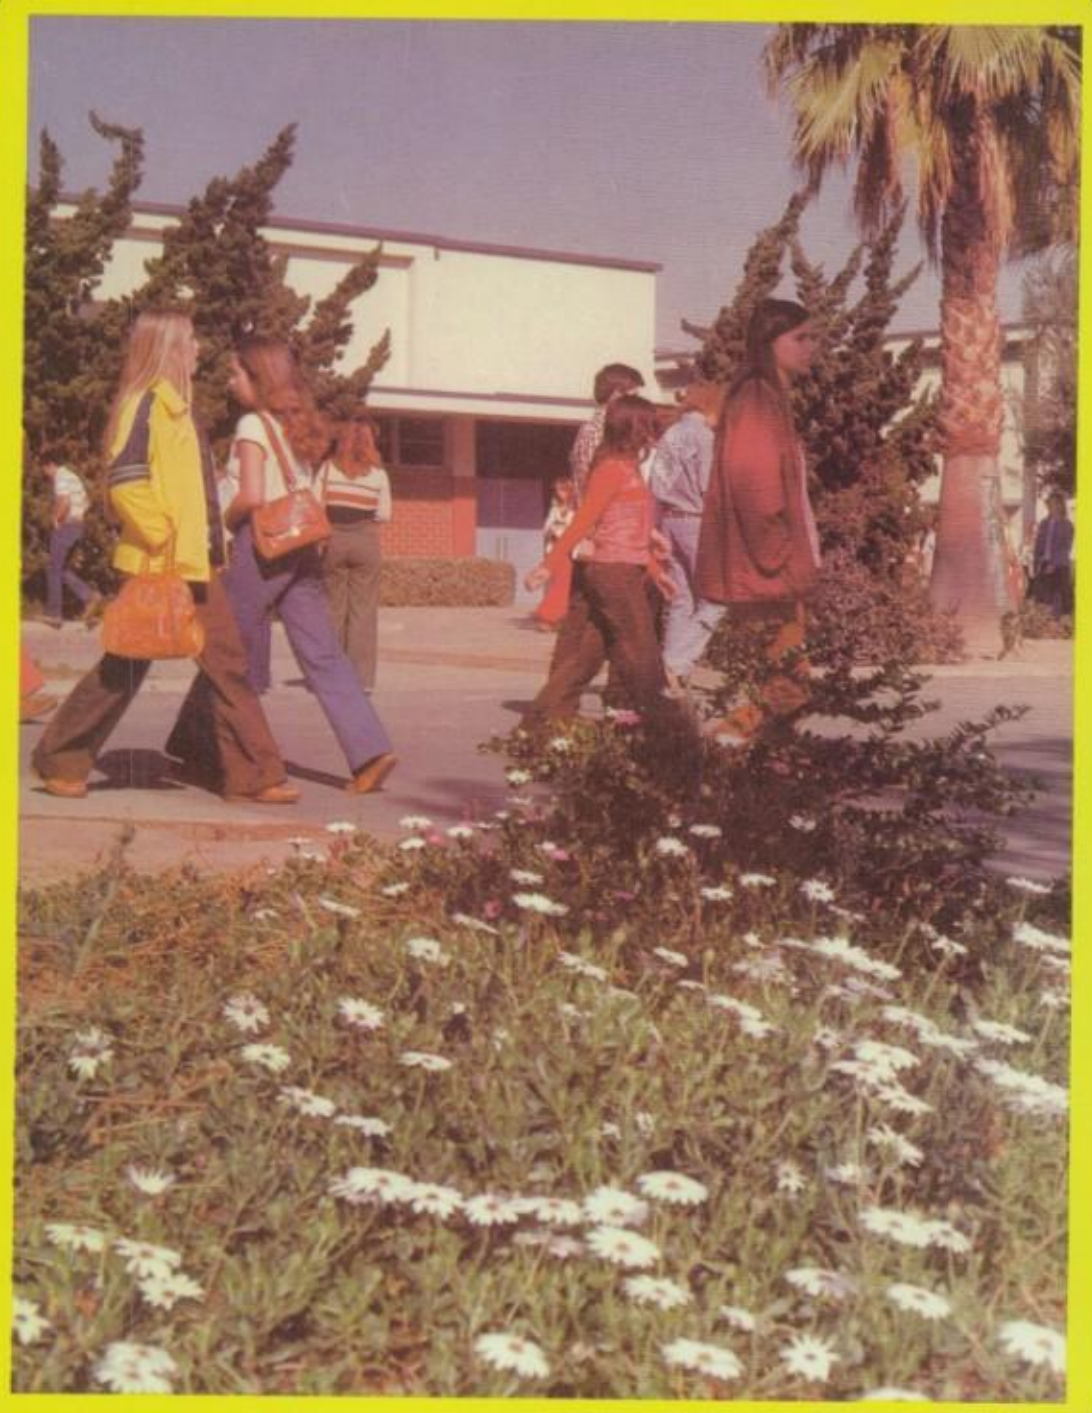


so shall you become . . .

your vision is
the promise . . .





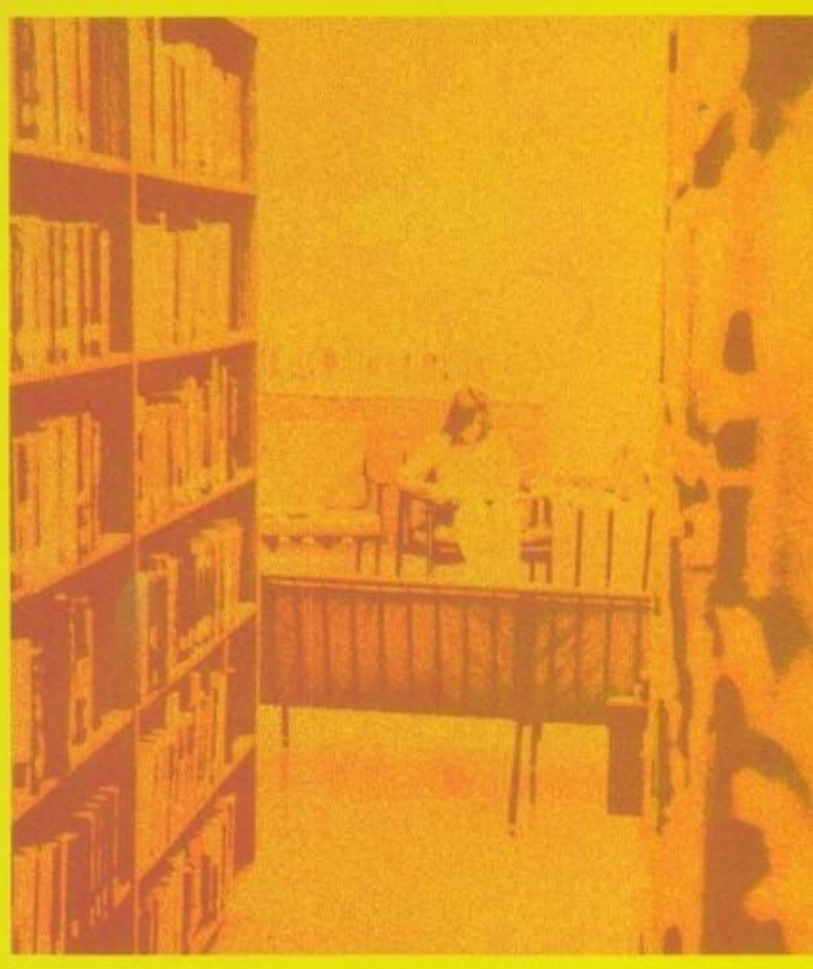


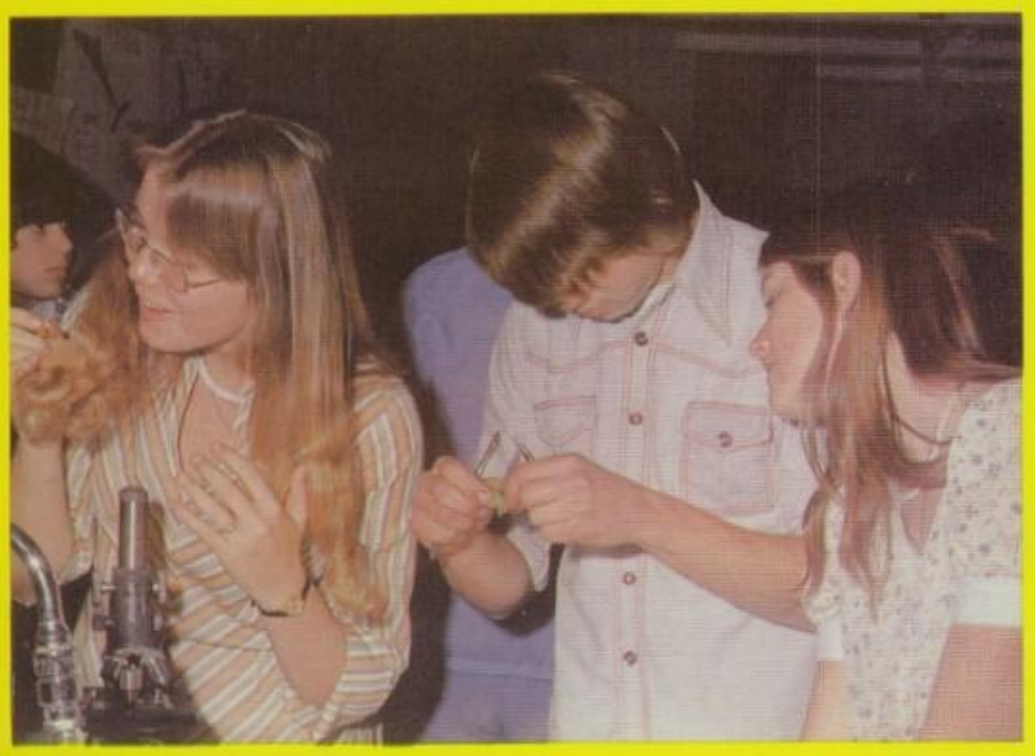
. . . of what
you will
one day become . . .

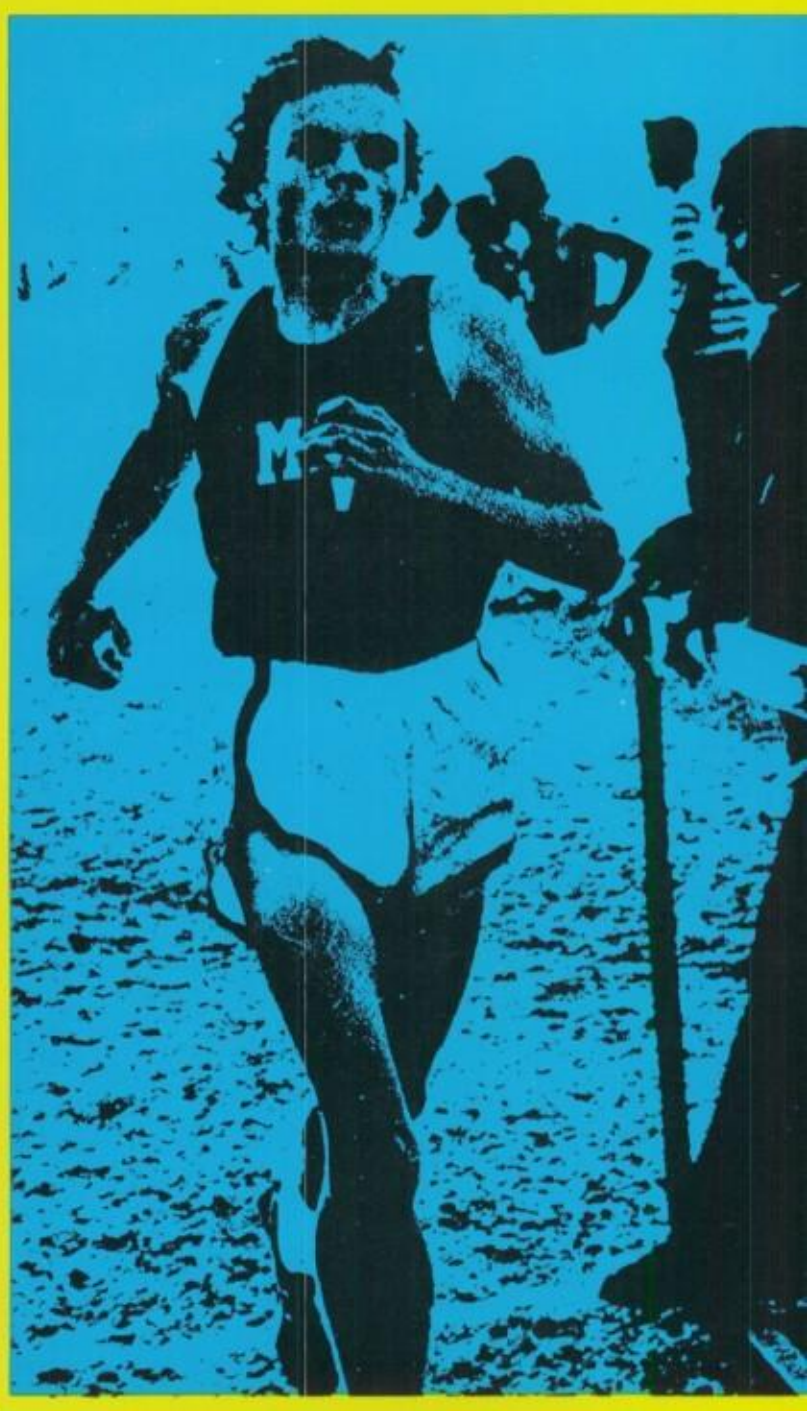
The vision that
you glorify . . .
in your mind . . .

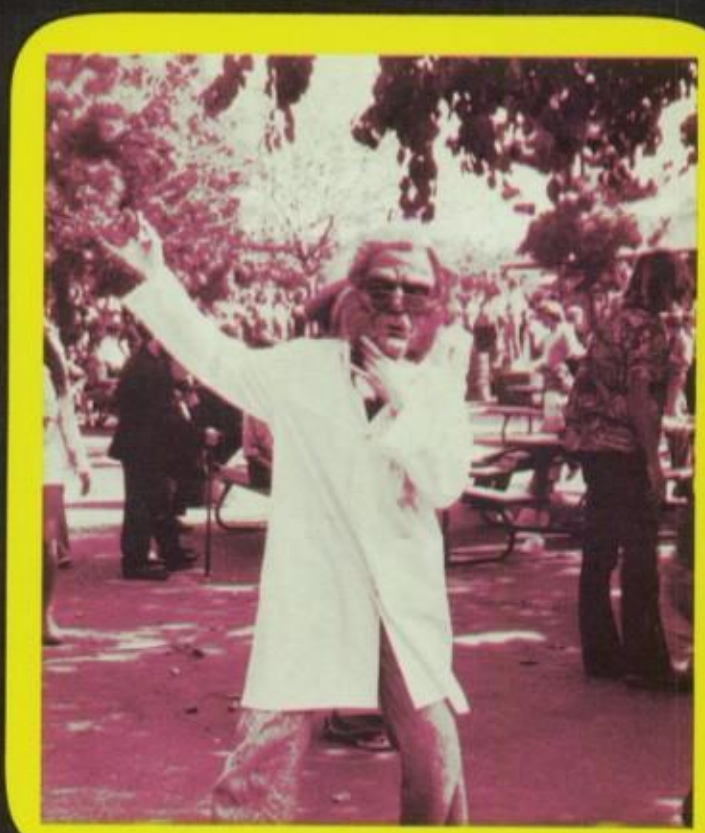
the ideal that
you enthrone
in your heart . . .

this you will
build your life by . . .









this you
will become

perceive

an ideal . . .

a vision . . .

. . . and strive to

reach it . . .

Dedicated to . . .

. . . a member of the Monte Vista teaching staff who is known for involvement, friendliness and spirit. Since she joined us in 1970, she is most often seen working with Fashion Board, advising Rhythm mares, designing costumes for theatrical productions, cheering at athletic contests, or revising the curriculum of the Home Economics department, of which she is chairman. Because she cares, and is truly a friend. We dedicate the 1976 Vista del Año to . . .

To Our Friends

We leave you for unknown destinies
We leave you for our hopes;
But most important of all
We leave you for our future.
Our journey can be long and
Our ending may be abrupt;
But thanks to you,
We have learned not to give up.
Thank you for giving us
The chance to attain our goals.

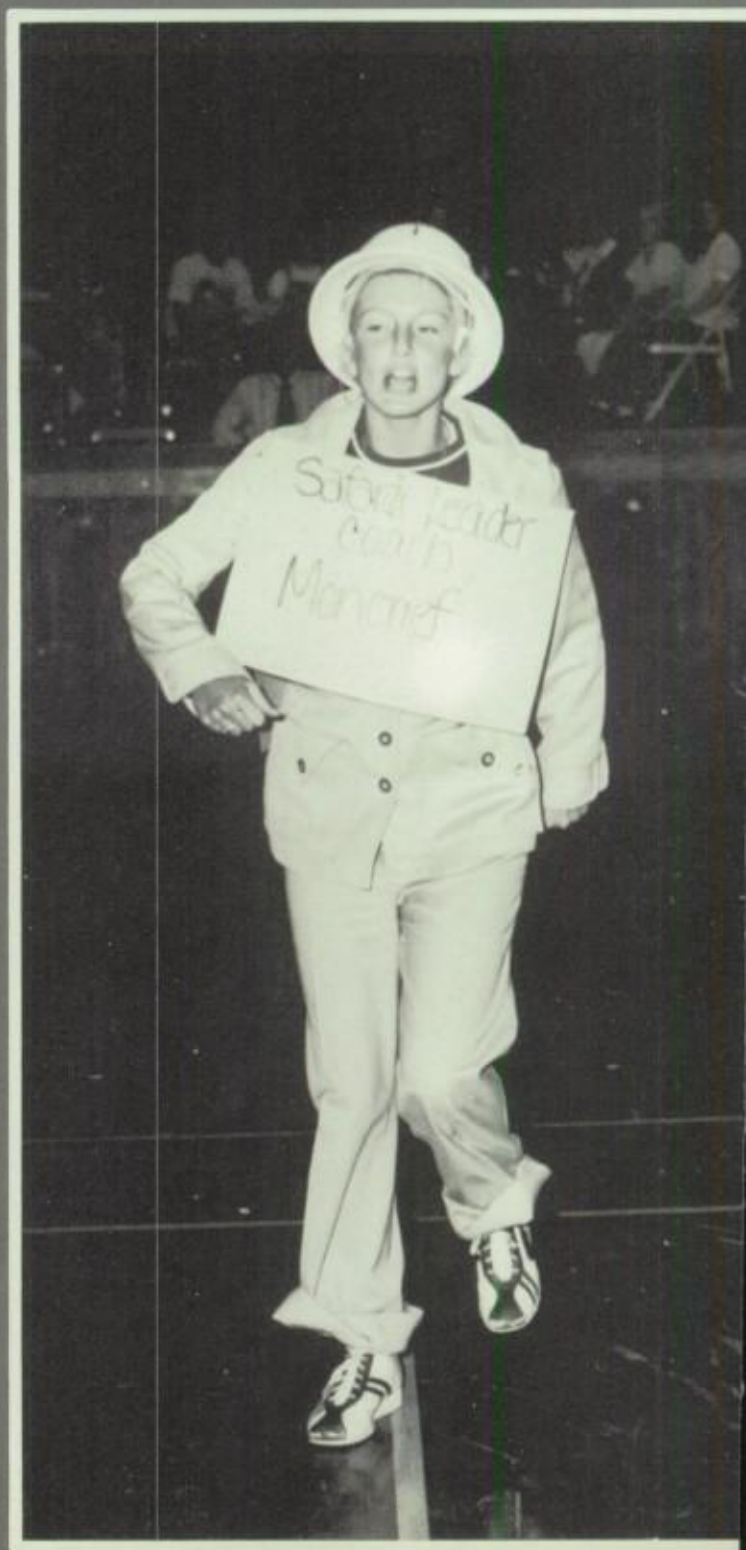
Time it was
And what a time it was!

it was . . .

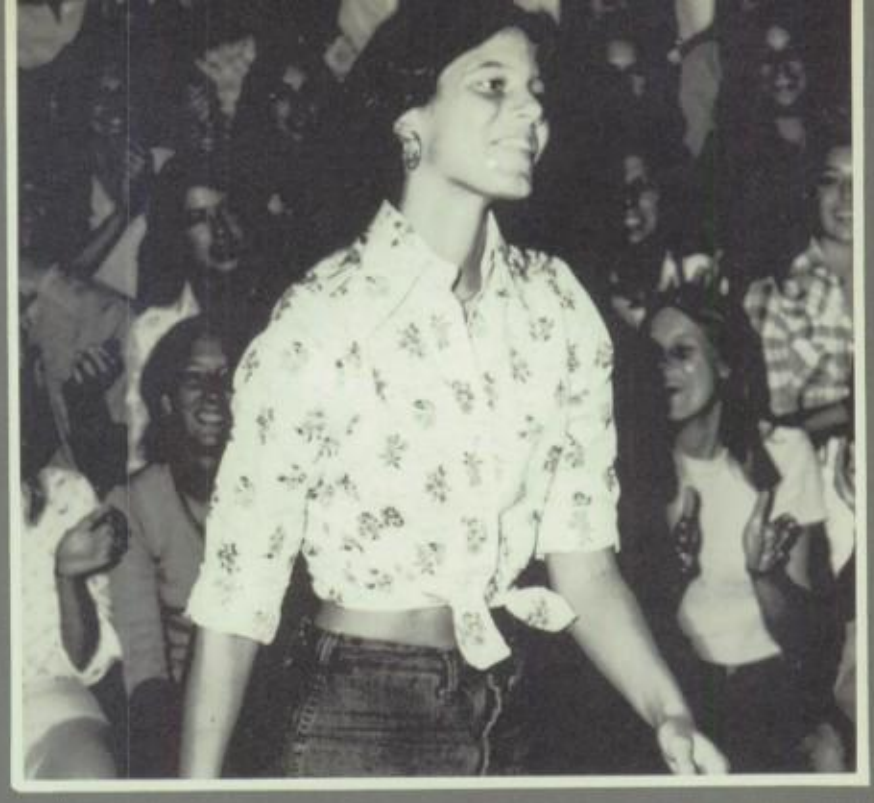
a time of
innocence

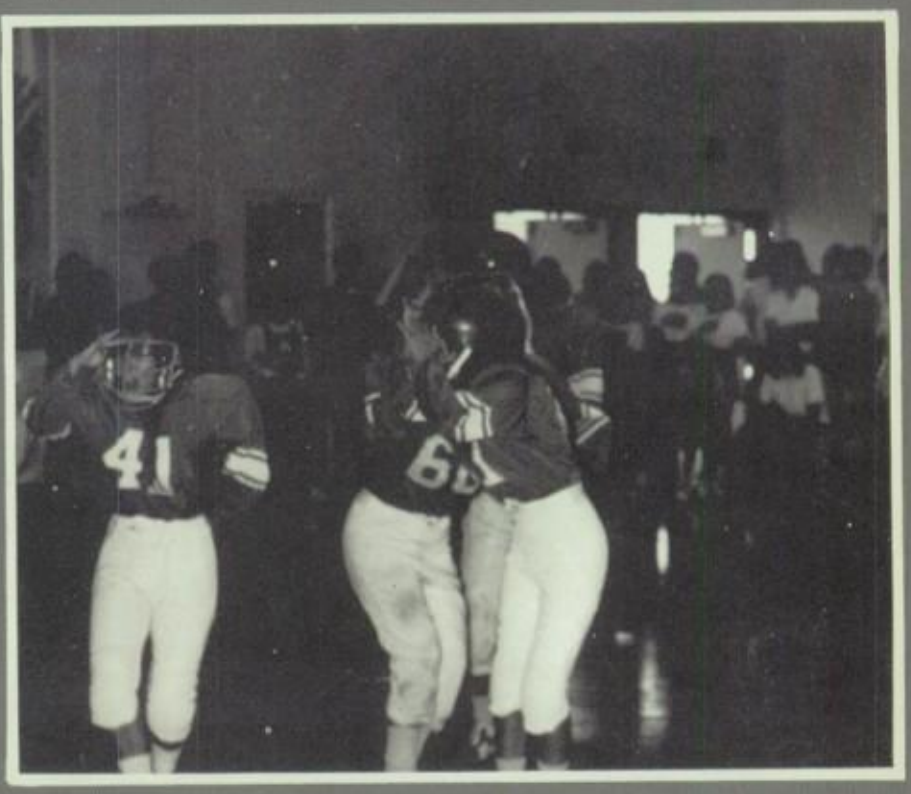
A time of confidences . . .

As we go through the years
We'll catch ourselves remembering.
Remembering these days.
With a smile
These days to which,
We will never return.



when friends become
grayed faces in
stiff, old yearbooks,
the memories will
still be there.





it was a great year.
Things may never be
quite the same . . .

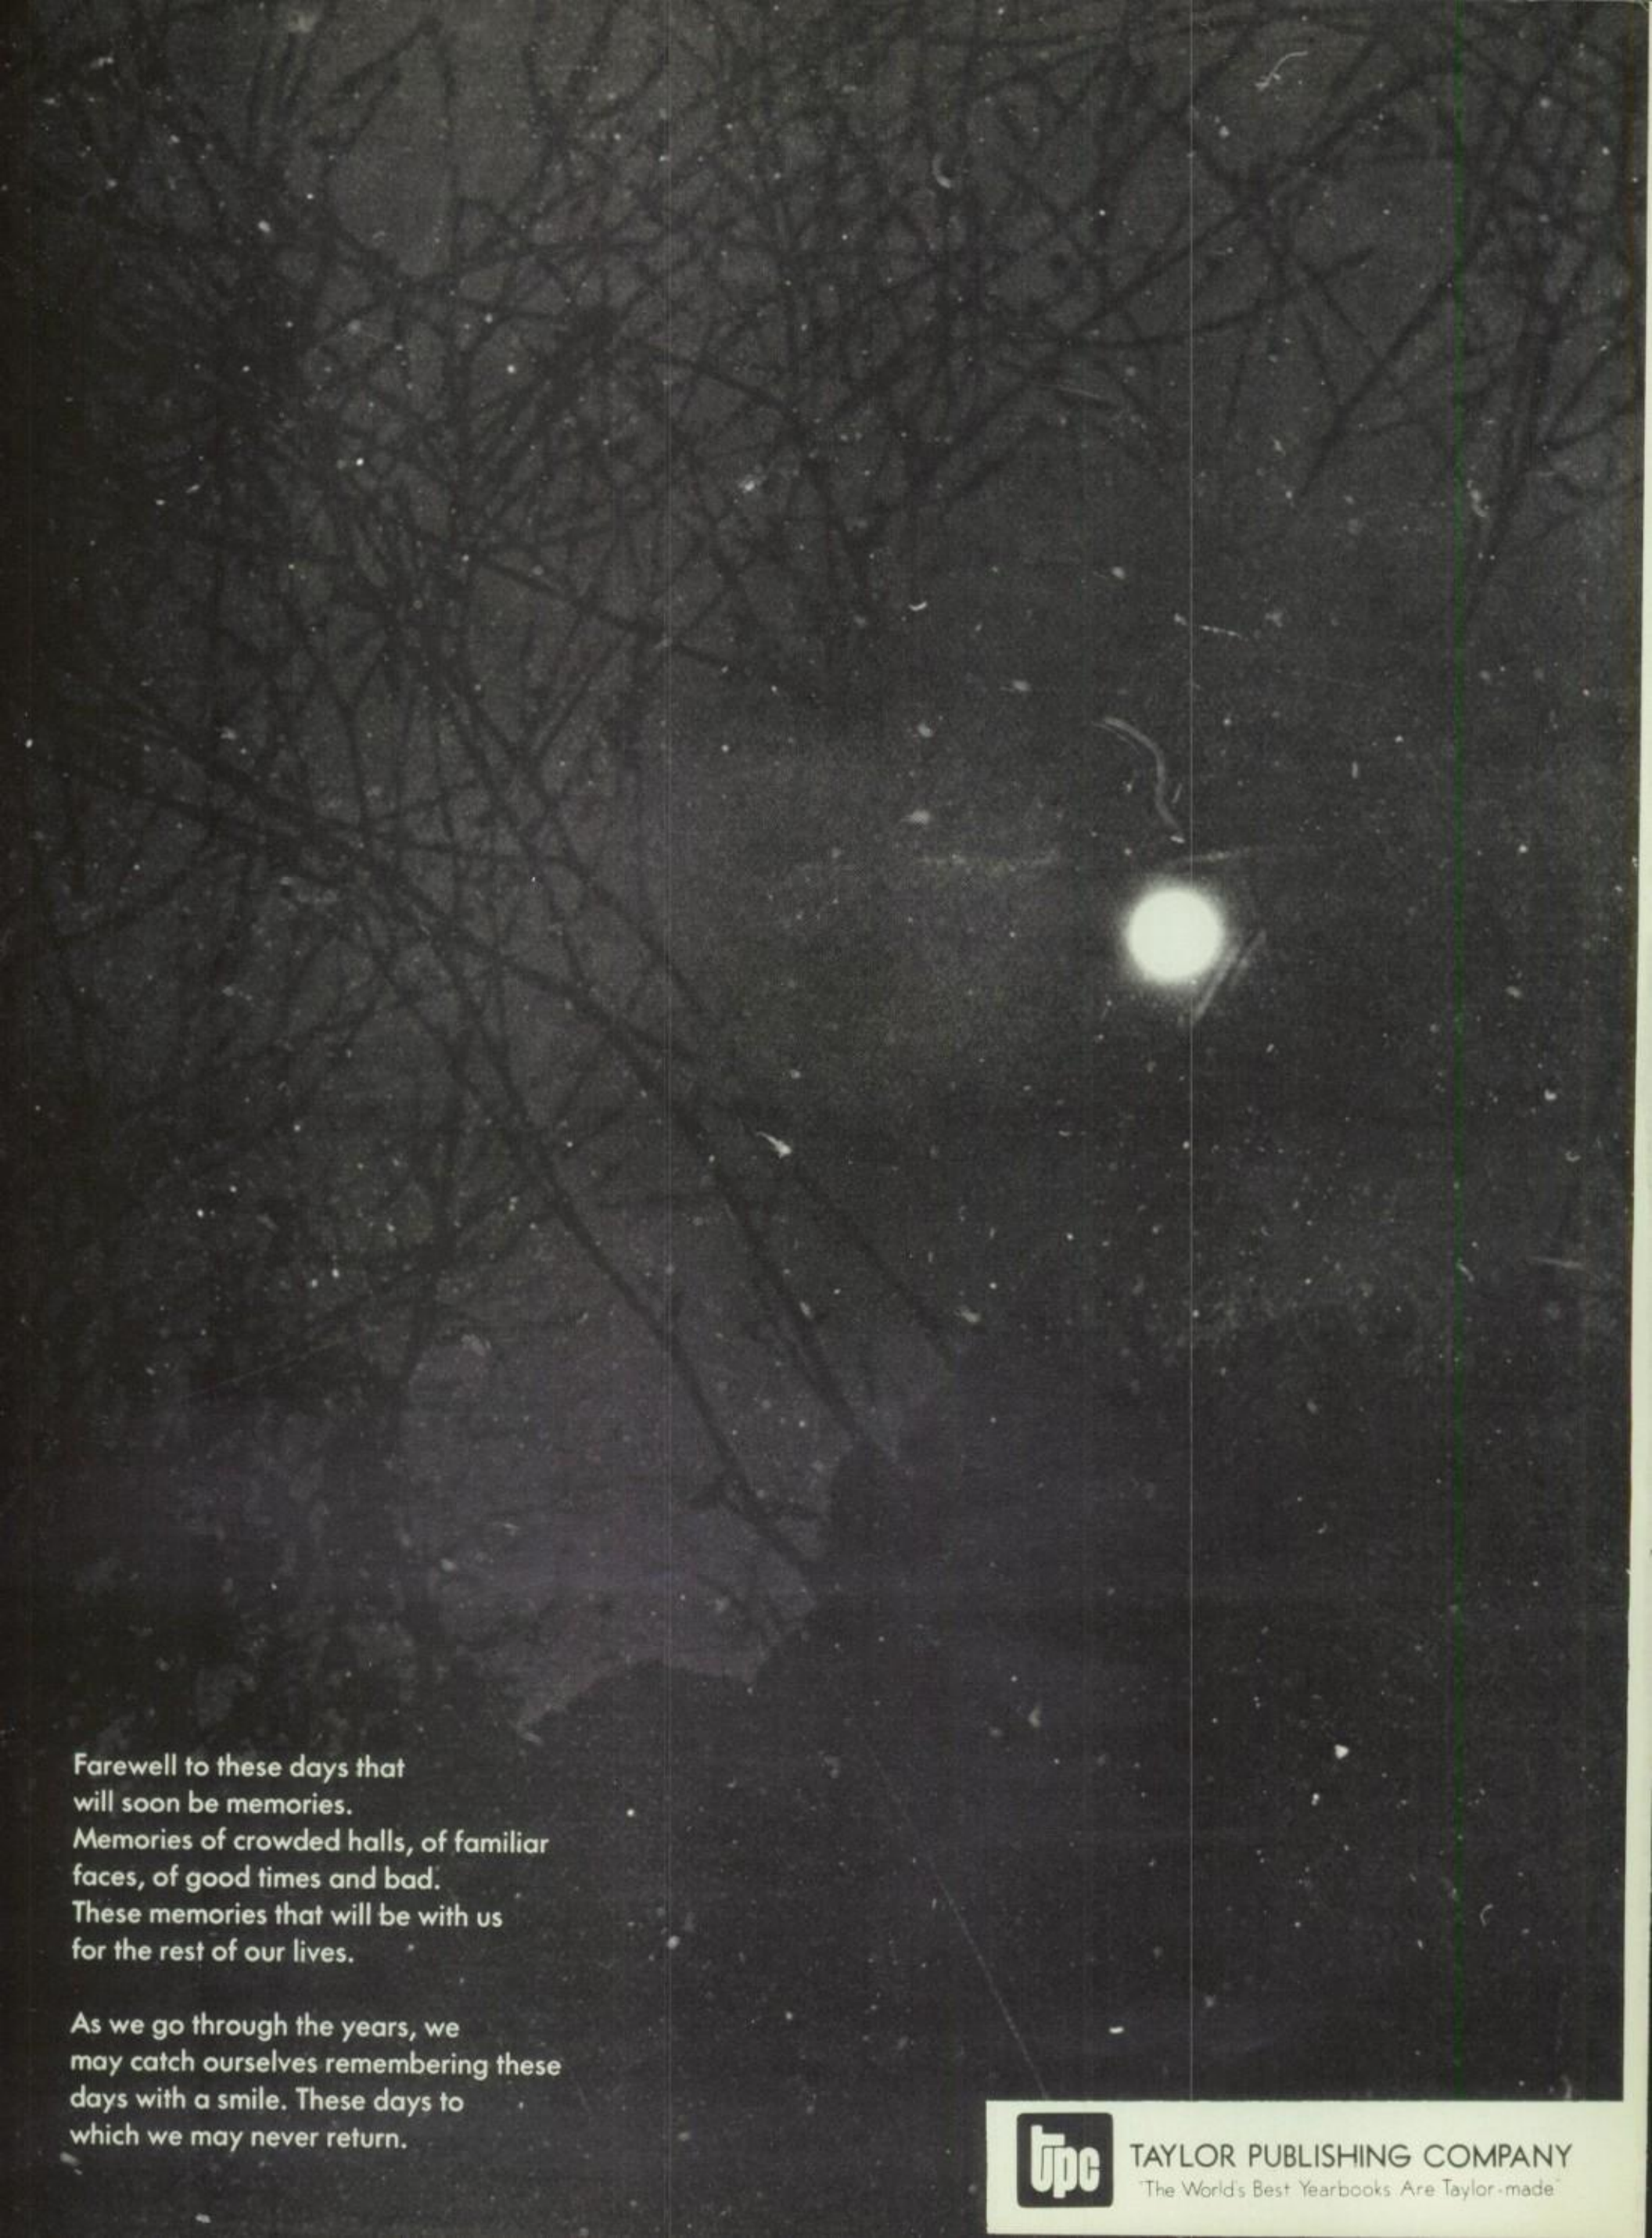
Mr. Bill Traub

The editors wish to express their sincere appreciation and thanks to Mr. Bill Traub and the Annual photographers, Ricky Eidson, Traci Brown, Dan McIntosh, Mike McClean and Randy Walder.

We are extremely grateful for their continuous support and cooperation in providing Annual photos and always coming through at the last minute.



Farewell to these days that
will soon be memories.
Memories of crowded halls, of familiar
faces, of good times and bad.
These memories that will be with us
for the rest of our lives.

As we go through the years, we
may catch ourselves remembering these
days with a smile. These days to
which we may never return.
